### Design

The aim of the module is to enable students to develop skills and understanding of the design process and skills involved.

#### Students will:

- Be introduced to the design development cycle through specific project briefs and apply this through the creation of design projects
- Develop an understanding of the importance of using the appropriate methods to achieve their creative intentions.
- Develop the necessary research and analysis, synthesis, and time management skills, as well as teamwork and organisational skills.
- Learn how to communicate their ideas and intentions professionally, through visual and verbal communication techniques. Students will learn how to mount their work and any computer-based activities involved with the presentation of practical work. Formats can vary from paperbased examples of actual art and design work, to printed outputs from computer-based work, to showreels or DVD presentations of film, installation or animation.

### sual Communication

e aim of this module is to able students to develop their derstanding of how to mmunicate different anings and messages, through manipulation of formal ments in 2D, 3D or ne-based media as a means of ating a range of imagery artefacts for different purposes.

form that works of art and design e, and the media and techniques ed to communicate meaning, will y according. This module will enable dents to develop skills in the use of and 3D materials and techniques, I to apply these in their own ependent work and to their cialisms (for example fashion, duct design or architecture).

### **Skills for Art** and Design

This module aims to broaden students' skills, knowledge and understanding of creative thinking in contemporary and historical art and design, in order to inform their own practice.

### They will:

- Explore the work of others in terms of visual and textual language, analysing relevant characteristics, content and meaning in relation to their own creative practice.
- Be encouraged to consider alternative approaches, challenging conventions, asking questions and engaging in debate with peers and
- Develop an understanding of historical and related contexts that will inform and inspire their own creative work and help them to develop personal intentions in their chosen specialism.

The Undergraduate Foundation Programme (UFP) is a specialist programme designed to provide international students with the quickest pathway to a degree in Art and Design. It replaces the need for a separate foundation year which is typically required before an undergraduate degree and allows international students to access study in this subject area without an existing portfolio.

## **NEXT steps**

Submit students application by one of the following methods:
Online: www.oncampus.global Email: admissions@oncampus.global
Fax: +44 (0)1223 346181

Post: Admissions Office, ONCAMPUS, Kett House, Station Road, Cambridge, CB1 2JH, United Kingdom

Please remember to include all relevant documentation:

- academic transcripts (with translations if not originally in English)
- evidence of English level
- · passport.

Additional documentation may be required depending on the course. Our Admissions team will contact you should this be the case.

Our Central Admissions team will review the application.

• We will send an offer letter which will list any outstanding

We will remove any conditions that have already been met.

- If we think the course is not right for the student, we will suggest an alternative.
- If we have any queries about the application, we will contact you for further information.
- To accept your place on the course the student will need to meet all the remaining conditions, including payment of the deposit/ registration fee or proof of government sponsorship. Only once all conditions have been met, can the place be confirmed, although once the deposit is paid we will hold a place for the student.
  - Please note that if the student requires a visa to study with us, they may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of **ON**CAMPUS. Your assistance in meeting these requirements is much appreciated.
- Once the student has paid their deposit and met all the conditions of offer, we will confirm the place and send a CAS (Confirmation of Acceptance to Study) or a Confirmation of Enrolment (CoE) if they do not need a CAS. If the student needs a visa, they will need to use their CAS/CoE to support their visa application. Please note a CAS can only be issued three months before the start of the course.
  - We will send pre-arrival information.
  - The accommodation application form will be included in the pre-arrival information. The student should complete the form, selecting their preferred option, and return it to **ON**CAMPUS by email.
- The student will then need to apply for a visa if they require one to study in the UK. It is their responsibility to obtain a visa before they travel to join the course. If they do not have a valid visa, they will not be able to join the course so please make sure they apply as soon as possible.
- The student will need to pay at least the first term's tuition fees before they begin their programme of study at **ON**CAMPUS.
  - They should arrive on the weekend before the arrival date; please check their CAS statement or CoE for further details.
  - Directions to our **ON**CAMPUS centres are included in the pre-arrival information we will send the student. Airport transfers are also available.

"I feel like I'm learning more here. Everyone is appreciated for what they know and their talents." - SAHBA ZARGARI RANIAN

# High-quality teaching and programmes

Through every step your students will be supported by highly qualified teachers and support staff, both in and outside the classroom. Their personal tutor will meet with them regularly to ensure they are on track to pass the programme and progress to their chosen degree. We are also reviewed regularly by the Quality Assurance Agency (QAA), which is responsible for maintaining standards across the UK university system, so you can be sure your students are receiving high-quality teaching.

# Outstanding student outcomes

ONCAMPUS is part of Cambridge Education Group, one of the UK's leading university pathway providers since 1952. Cambridge Education Group was the first private institution to offer university foundation programmes in the UK in 1985, and every year we support over 1,000 students to reach the degree programmes they aspire to, placing ONCAMPUS students with our world and nationally ranked partners.

# Safe and supportive environments

**Students are supported** throughout their journey by an outstanding level of teaching. Our highly qualified staff offer support both inside and outside the classroom, and every student is assigned a personal tutor to ensure they remain on track to achieve their goals and progress to their chosen degree course.

### Choice and flexibility

Our **ONCAMPUS** centres offer guaranteed progression\* for students wanting to study Undergraduate Foundation Programmes, International Year One or Master's Foundation Programmes to a range of degrees at our partner universities. If your students want a wider range of options at **ONCAMPUS** London we support students in achieving places at top-ranked UK universities including LSE, King's College London and Durham University.

<sup>\*</sup>Guaranteed progression is subject to meeting the specified entry criteria
