Accommodation Guide
2019-2020

ONCAMPUS
Cambridge Education Group

Welcome

ONCAMPUS aim to make sure that finding a place to live while you study with us is quick and easy. It is very important that you have a place to stay when you arrive in the UK, and while you can choose to organise your own accommodation, we strongly recommend that all students book a room through our free service.

Booking with us ensures that you will have a safe, comfortable environment, and that you will be housed with other **ON**CAMPUS students, which is a great opportunity to make friends!

We have a number of different accommodation options available to suit all kinds of requirements and budgets, so you are sure to find something that suits you. In the following pages you will find lots of information on your choices and at the back of this pack you will find a quick summary table so you can compare the options. There is also a price list and details on how to reserve a room once you have chosen your new home.

If you have any questions that are not covered in this guide, or you just want some advice, please contact us at **liveincoventry@oncampus.global** and we will be happy to help.

We look forward to welcoming you to ONCAMPUS Coventry.
