"I was attracted to study at **ON**CAMPUS London as it had a great range of subjects and it offered a direct route to university. The UK has a great education system and culture mix which appealed to me as I wanted to broaden my knowledge. The teachers are very welcoming and inspiring and I like that you can express your opinions and you get constant feedback to make your reports and work better."

"Living in London gives you lots of freedom and opportunities academically and personally to meet new people and explore the diverse environment. The teachers at **ON**CAMPUS London are great as they encourage you to use and apply the knowledge gained and think independently; and they support all students when adapting to the UK education system and living in a new environment."

"Before I came to **ON**CAMPUS London I was studying Humanities, Psychology and Microeconomics in Japan. NIC recommended this course to me as it would give me the opportunity to apply for 5 top universities in the UK. London is very cultural and I have enjoyed visiting the theatres and museums with my friends. Staff and my fellow students have been very friendly and supportive which made it easier to settle in."

"London has so many opportunities and things to do with unlimited access to information from lectures, libraries and museums. My experience has been exciting with all of the new topics and modules I have studied. Even though it has been challenging at different stages, the course is very well structured and extremely interesting. After completing my degree I hope to go onto studying a Master's Degree and go on to find a job as a Financial Analyst in London."

LIVING IN LONDON

London is home to more international students than any other city in the world. Every year, 90,000 people come from over 200 countries to study and experience the culture, the history and the spirit of one of the world's greatest cities.

Our comprehensive induction programme will help you settle into London life, with the **ON**CAMPUS team helping you open a bank account, get an Oyster card (essential for travelling around the capital on buses and the Underground) and register with the police if you need to.

Shopping, from £60,000 jewel-encrusted shoes in Harrods to second-hand books and furniture at Portobello Road market, London is a shopaholic's dream.

The centre of the city's retail industry is located around Oxford Street, with the highest concentration of shops in Europe. Visit New Bond Street for luxury brands and high fashion, Regent Street for more individual stores and Tottenham Court Road for electrical and high-tech items.

Who is this programme designed for?

This programme is designed to prepare international students, who have completed senior secondary education, for entry to undergraduate studies at the top universities across the UK. All students who successfully complete the UFP are guaranteed placement on a suitable programme of undergraduate study at top universities across the UK. The UFP is set at level 3, which is equivalent to A level standard in the UK.

How long will I study for?

This programme lasts one academic year (nine months). The year is divided into three terms of seven to eight teaching weeks and one reading week. You will undertake up to 25 hours of classroom-based study per week.

What will I study?

This programme includes English and three academic subject modules. English will be integrated into the teaching of academic subjects, as well as being taught separately if you need additional support to develop your English language.

There are four academic pathways to choose from and you will study the pathway most suited to your chosen progression degree. Academic skills relevant to the specific subject area will be taught to fully prepare you for university study. The pathways are: Business, Engineering and Physical Sciences, Humanities and Social Sciences and Life Sciences.

How will I be assessed?

You will be assessed at regular intervals throughout the programme to ensure you are making the progress required to successfully complete the programme. Full assessment of the programme will take place in the final term. Assessment methodologies are aligned to those that will be experienced in the University environment, and include project work, essays, presentations and unseen examinations.

There are four different pathway options. You will study the pathway most suitable for your chosen progression degree.

The pathways and modules are:

- Business
  Economics and Finance
  Business Behaviours
  Skills for Business
  Pure Mathematics
- Engineering and Physical Sciences (lab-based)
  Pure Mathematics
  Physical Sciences
  Skills for Science
- Humanities and Social Sciences

For a full list of progression degrees see page 22.

[1] Guaranteed progression is subject to meeting the specified entry criteria.

[2] Your application will be assessed and you may be offered a 3 or 4-term programme depending on your English level and academic background.

Who is this programme designed for?

This programme is designed for international students who do not quite have the academic grades and/or English level to start the first year of an undergraduate degree in the UK, but have a stronger profile than a UFP student.

All students who achieve the required mark for progression are guaranteed progression[1] to Year 2 of a selection of business-related undergraduate degrees at Birkbeck. This programme is set at level 4, and is equivalent to the first year of an undergraduate Business degree in the UK.

How long will I study for?

Your application will be assessed and you may be offered a three or four-term programme depending on your English level and academic background.

The duration of the programme is one academic year (nine or 12 months). The year is divided into three or four terms of seven to eight teaching weeks, one reading week, and an examination week. You will undertake up to 28 hours of classroom-based study per week.

What will I study?

This programme includes nine core modules, taken by all students throughout the course. These modules are: English, and eight academic modules relating to business and management.

How will I be assessed?

You will be assessed by a variety of methods during your time with us. The intention is that you have a chance to experience the full range of assessment methods that you might experience at university when you start the second year of your chosen degree.

Assessments will normally include coursework, essays, reports and other structured assignments, oral examination, and unseen written examinations.

Programme content
All students study eight academic modules, plus English for Academic Purposes:

- Business Environment
- Managing Financial Resources and Decisions
- Organisations and Behaviour
- Marketing Principles
- Business Decision Making
- Financial Accounting and Reporting
- Business Skills for Proposals and Pitches
- Study and Communication Skills for Business

For a full list of progression degrees see page 22.

[1] Some programmes at Birkbeck offer guaranteed progression on meeting the specified entry criteria. See the degree subject list on page 20 for more information.

[2] Extended Programmes are available if you do not yet have the required English language level. These programmes last 4 or 5 terms and include English language modules (ELM) followed by the 3 terms of Foundation required to apply for entry to the first year of your Master's degree.

Who is this programme designed for?

This programme is designed to prepare international students for postgraduate study in the UK. The Master's Foundation will allow you to improve your English while learning the study skills and research methods that you will need during your Master's degree studies. Depending on the length of the programme you study, you may also study academic modules relating to your chosen progression degree.

How long will I study for?

Each term is divided into seven to eight teaching weeks, one reading week and an assessment week. You will undertake up to 25 hours of classroom-based study per week

What will I study?

2 terms

If you study this programme, you will study two compulsory units of a research project, personal and professional development, plus English language. You will also choose an additional academic subject unit, depending on your intended progression degree.

3 terms

If you study this programme, you will study two compulsory units of a research project, personal and professional development, plus English language. You will also choose two additional academic subject units, depending on your intended progression degree, and availability.

How will I be assessed?

Each module will have an assessment schedule, which will be completed by the end of the appropriate term, and will include formative and summative assignments and other assessment tasks. Assessments will be designed to demonstrate learning across the individual modules of the programme and to allow you to experience a wide range of the assessment methods used in UK postgraduate programmes.

Academic subject units are arranged by pathway, and include:

- **Business**
  Organisations and Behaviour
  Marketing Principles
  Financial Accounting and Reporting
  Business Strategy
- **Life Sciences**

Academic entry requirements listed above should be used as a guide only. Suitability for the programme will be assessed on a case-by-case basis.
If your country is not listed, please contact admissions@oncampus.global

NEXT steps

1 Submit your application by one of the following methods:
Online: www.oncampus.global Email: admissions@oncampus.global
Fax: +44 (0)1223 346181
Post: Admissions Office, **ON**CAMPUS, Kett House, Station Road, Cambridge, CB1 2JH, United Kingdom
Please remember to include all relevant documentation:
- academic transcripts (with translations if not originally in English)
- evidence of English level
- passport.

Additional documentation may be required depending on the course. Our Admissions team will contact you should this be the case.

2 Our Central Admissions team will review your application.
- We will send you an offer letter which will list any outstanding conditions. We will remove any conditions that have already been met.
- If we think the course is not right for you, we will suggest an alternative.
- If we have any queries about your application, we will contact you for further information.

3 To accept your place on the course you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. Your place can only be confirmed once all conditions have been met, although once the deposit is paid we will hold a place for you.
- Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of **ON**CAMPUS. Your assistance in meeting these requirements is much appreciated.

4 Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a CAS (Confirmation of Acceptance to Study) or a Confirmation of Enrolment (CoE) if you do not need a CAS.

If you need a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be issued three months before the start of the course.
- We will send you pre-arrival information.
- The accommodation application form will be included in the pre-arrival information. You should complete the form, selecting your preferred option, and return it to **ON**CAMPUS London by email to liveinlondon@oncampus.global

5 You will then need to apply for a visa if you require one to study in the UK. It is your responsibility to obtain a visa before you travel to join the course. If you do not have a valid visa, you will not be able to join the course so please make sure you apply as soon as possible.

6 You will need to pay at least the first term's tuition fees before you begin your programme of study at **ON**CAMPUS.
- You should arrive on the weekend before the arrival date; please check your CAS statement or CoE for further details.
- London Heathrow is the closest international airport to **ON**CAMPUS London. You can transfer to your accommodation by Tube, train, coach or taxi. Public transport is the cheapest option. Read the pre-arrival information we will send you for more details.
