- ➔ **How you learn** - We believe that you will learn faster and more effectively if your lessons are engaging, fun and relevant, that's why our teachers use a range of techniques and develop classes that are motivating and build your confidence.
- ➔ **Testing on arrival** - On your first day you will take a language assessment, to assess your knowledge of grammar and vocabulary and how well you are able to understand and speak English. This helps us to understand the class you'll be happiest and most successful in.
- ➔ **Monthly Tutorial** - Every month you'll have a one-to-one tutorial with a senior member of the academic team to make sure you are on track to achieve your goals and fulfill your potential.
- ➔ **Quality Assurance** - Our Directors of Studies ensure our programs are of the highest possible quality, our class sizes are small and that our students leave having gained the maximum from their time with us.
