We can only confirm your place once all conditions have been met, although once the deposit is paid we will hold a place for you.

Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of **ONCAMPUS**. Your assistance in meeting these requirements is much appreciated.

## 4 Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a Confirmation of Acceptance for Studies (CAS) or a Confirmation of Enrolment (CoE) if you do not need a CAS.

If you need a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be issued three months before the start of the course.

## 5 We will send you pre-arrival information.

The accommodation application form will be included in the pre-arrival information. You should complete the form, selecting your preferred option, and return it to **ONCAMPUS** Hull by email to [liveinhull@oncampus.global](mailto:liveinhull@oncampus.global).

## 6 You will then need to apply for a visa if you require one to study in the UK. It is your responsibility to obtain a visa before you travel to join the course.

If you do not have a valid visa, you will not be able to join the course so please make sure you apply as soon as possible. You will need to pay at least the first term's tuition fees before you begin your programme of study at **ONCAMPUS**. You should arrive on the weekend before the arrival date; please check your CAS statement or CoE for further details. Humberside, Manchester and Leeds/Bradford are the closest airports to **ONCAMPUS** Hull. There are various routes that you can take from these airports by train, bus or taxi. Visit our website for further information.
