

Degrees available for OnCampus students at the University of Central Lancashire and specific progression requirements

Business, Economics, Finance and Management Pathway

Progression degree	Award	Progression requirements to the University of Central Lancashire	Additional progression requirements	English language progression requirements
Accounting and Finance	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
Accounting and Financial Studies	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
Business and Human Resource Management	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
Business and Management	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
Business and Marketing	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
Fashion Promotion and Marketing	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
Filmmaking	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
Interior Design	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
International Business	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
International Hospitality Management	BA	40% in academic modules		OCTOE 60% – no component lower than 50%
International Tourism Management	BA	40% in academic modules		OCTOE 60% – no component lower than 50%

Media and Television Production	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Sports Business Management	BA	40% in academic modules		OCTOE 60% - no component lower than 50%

Engineering and Sciences Pathway

Progression degree	Award	Progression requirements to the University of Central Lancashire	Additional progression requirements	English language progression requirements
Civil Engineering	BEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Civil Engineering and Construction Management	BEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Electrical and Electronic Engineering	BEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Mechatronics and Intelligent Machines	BEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Aerospace Engineering	BEng/MEng	60% in academic modules	Maths including calculus and physics is compulsory.	OCTOE 60% - no component lower than 50%
Aerospace Engineering with Industrial Placement	BEng/MEng	60% in academic modules	Maths including calculus and physics is compulsory.	OCTOE 60% - no component lower than 50%
Aerospace Engineering with Pilot Studies	BEng/MEng	60% in academic modules	Maths including calculus and physics is compulsory.	OCTOE 60% - no component lower than 50%
Electronic Engineering	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Energy Engineering	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Fire Engineering	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Mechanical Engineering	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Motorsports Engineering	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Robotics Engineering	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%

Architecture	BSc	40% in academic modules	Students required to pass a drawing module delivered by UCLan.	OCTOE 60% - no component lower than 50%
Astrophysics	BSc	60% in academic modules	Maths and Physics both required.	OCTOE 60% - no component lower than 50%
Building Surveying	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Computer Games Development	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Computer Science	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Computing	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Construction Project Management	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Cyber Security	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Facilities Management	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Fire and Leadership Studies	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Mathematics	BSc	60% in academic modules	70% in maths module	OCTOE 60% - no component lower than 50%
Physics	BSc	60% in academic modules	Maths and Physics both required.	OCTOE 60% - no component lower than 50%
Physics with Astrophysics	BSc	60% in academic modules	Maths and Physics both required.	OCTOE 60% - no component lower than 50%
Quantity Surveying	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Software Engineering	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%

Games Development	MComp	40% in academic modules		OCTOE 60% - no component lower than 50%
Astrophysics	MPhys	65% minimum in academic modules including Maths or Physics at 70%	Maths and Physics both required.	OCTOE 60% - no component lower than 50%

Humanities and Social Sciences Pathway

Progression degree	Award	Progression requirements to the University of Central Lancashire	Additional progression requirements	English language progression requirements
Asia Pacific Studies (Chinese / Japanese / Korean / Russian)	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Children, Schools and Families	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Criminology and Criminal Justice	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Criminology and Sociology	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Education Studies	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Education and History	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Education and Psychology	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Education and Sociology	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
English Literature	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Geography	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
History	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
History and Politics	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Human Resource Management	BA	40% in academic modules		OCTOE 60% - no component lower than 50%

International Journalism	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Media and Television Production	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Modern Languages for International Business (Arabic, French, German, Japanese or Spanish)	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Outdoor Adventure Leadership	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Philosophy	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Photography	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Politics	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Religion, Culture and Society	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Sociology	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Sport and Physical Education	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Sports Journalism	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
TESOL and Modern Languages	BA	40% in academic modules		IELTS 7.0 - no component lower than 6.5
Psychology	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Psychology of Child Development	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Psychology with Psychotherapy and Counselling	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%

Law	LLB	40% in academic modules		OCTOE 60% - no component lower than 50%

Life Sciences Pathway

Progression degree	Award	Progression requirements to the University of Central Lancashire	Additional progression requirements	English language progression requirements
Psychology with Psychotherapy and Counselling	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Sports Coaching and Development	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Sports Coaching and Performance	BA	40% in academic modules		OCTOE 60% - no component lower than 50%
Archaeology	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Archaeology and Anthropology	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Biomedical Science	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Clinical Dental Technology	BSc	50% in academic modules	60% in Biology subjects. UCAS application, personal statement, reference and successful Interview required. 5 X GCSE Grade C/4 or above or equivalent (must include Maths/Science and English) and a satisfactory In Country Police Check is required.	IELTS 7.0 - no component lower than 7.0
Clinical Psychology	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Dental Therapy	BSc	60% in all subjects	UCAS application, personal statement, reference and successful Interview required. 5 X GCSE Grade C/4 or above or	IELTS 7.0 - no component lower than 7.0

			equivalent (must include Maths/Science and English) and a satisfactory In Country Police Check is required.	
Football Studies	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Forensic Psychology	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Forensic Science	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Forensic Science and Criminal Investigation	BEng/MEng	40% in academic modules		OCTOE 60% - no component lower than 50%
Healthcare Science	BSc	40% in academic modules	Students required to pass a drawing module delivered by UCLan.	OCTOE 60% - no component lower than 50%
Medical Sciences	BSc	60% in academic modules		OCTOE 60% - no component lower than 50%
Neuropsychology	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Neuroscience	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Nursing with Registered Nurse (Adult)	BSc	50% in academic modules	Maths and English GCSE C/4 or equivalent. Care experience through work/volunteer placement required. Personal Statement and interview required to progress.	OCTOE 65% in all components
Nursing with Registered Nurse (Children and Young People)	BSc	50% in academic modules	Maths and English GCSE C/4 or equivalent. Care experience through work/volunteer placement required. Personal Statement and	OCTOE 65% in all components

			interview required to progress.	
Nursing with Registered Nurse (Mental Health)	BSc	50% in academic modules	Maths and English GCSE C/4 or equivalent. Care experience through work/volunteer placement required. Personal Statement and interview required to progress.	OCTOE 65% in all components
Nutrition and Exercise Sciences	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Occupational Therapy	BSc	60% in all academic modules	Applicants must apply through UCAS and have a satisfactory application including Personal Statement, reference and interview.	OCTOE 70% - no component lower than 65%
Physiology and Pharmacology	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Physiotherapy	BSc	65% minimum across all subjects	Personal statement and interview required.	OCTOE 70% - no component lower than 65%
Policing and Criminal Investigation	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Psychology and Criminology	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Psychology of Child Development	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Psychology with Psychotherapy and Counselling	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Sport and Exercise Science	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%

Sports Therapy	BSc	40% in academic modules		OCTOE 60% - no component lower than 50%
Veterinary Medicine with Foundation Entry (6 years)	BVMS	70% in academic modules	Volunteer/work placement required. M MMI interview to progress.	OCTOE 70% - no component lower than 70%
Chemistry	MChem	40% in academic modules		OCTOE 60% - no component lower than 50%
Archaeology	MSci	40% in academic modules		OCTOE 60% - no component lower than 50%
Medicine with Foundation Year (6 Year)	MBBS	70% in academic modules	Volunteer/work placement required. M MMI interview to progress.	OCTOE 70% - no component lower than 70%
