# A warm Welcome

The State University  
of New York

MORRISVILLE  
STATE COLLEGE

We look forward to welcoming you at **ONCAMPUS** SUNY!

The **ONCAMPUS** SUNY program will give you full support to acclimate successfully into campus life and U.S. university academics. Your professors will deliver experiential learning and establish a good student-professor relationship with you. While in our program, more than half of our students have been on the Dean's List or President's List.

Receiving comprehensive transfer advising from your University Success Advisor will be a large part of your experience at **ONCAMPUS** SUNY. You will be empowered to take control of your academic goals, and have a successful transfer progression. The 2018 U.S. News and World Report has ranked four SUNY universities in the top 100! Approximately half of our students have chosen to transfer to a University Center such as Binghamton University, Stony Brook University, University at Albany, and University at Buffalo. Our first group of **ONCAMPUS** SUNY students will graduate in Spring 2018!

We are excited along with you to see how you will advance in your educational goals within SUNY!

### TOEFL/IELTS NOT REQUIRED FOR TRANSFER

Meet the following requirements to waive the TOEFL/IELTS:

**Binghamton University** — 24 credit hours completed **AND** Complete Introduction to College Writing and Composition and Research courses with grades of “B” or higher

**University at Buffalo** — Complete Introduction to College Writing and Composition and Research courses with grades of “B” or higher; **OR** Complete Composition and Research and Writing About Literature with grades of “C” or higher; **OR** Complete Writing About Literature (as a stand-alone) with a grade of “B” or higher

**Stony Brook University** — Complete Composition and Research course with grade of “B” or higher

### TRANSFER GPA REQUIREMENTS

**Binghamton University** Mechanical Engineering 3.2 or higher; other Engineering 3.0 or higher

**University at Buffalo** 3.0 or higher

**Stony Brook University** 3.0 or higher

# Study Business at Binghamton University

Rated a 'Best Buy' and one of the premier public universities in the Northeast. "With a four-year graduation rate that is among the highest of any public university, Binghamton has a reputation for an excellent education at a reasonable price" according to The Fiske Guide to Colleges (2014).

## BINGHAMTON UNIVERSITY | SCHOOL OF MANAGEMENT

### BUSINESS ADMINISTRATION PROGRAM

The undergraduate Business Administration curriculum provides you with a solid knowledge base of the basic principles and functional areas of management. The curriculum builds on the liberal arts foundation of the University, and prepares you for various career paths in business.

The undergraduate business program is designed to encourage you to specialize your degrees by pursuing a concentration in an area such as:

Entrepreneurship
Finance
Leadership and Consulting
Marketing
Management Information Systems
Quantitative Finance
Supply Chain Management

### ACCOUNTING PROGRAM

Accounting provides strong pre-professional training in the theory and practice of accounting within the context of Binghamton's strong liberal arts education.

The program serves students interested in careers in public and corporate accounting, as well as students who intend to pursue advanced studies in various graduate and professional schools.

#### English Proficiency Requirements

Complete Introduction to College Writing and Composition and Research courses with grades of "B" or better  
**OR**

If a student has a higher TOEFL iBT, IELTS, or SAT/ACT score, the score may allow for an earlier admissions decision.

## The Cornell University Connection

**ONCAMPUS** SUNY students earn up to 32 credits throughout the program. Upon successful completion of the program these credits can transfer to any other SUNY university, including the two undergraduate schools of Cornell University that are a part of the SUNY system.

For students interested in entering a top globally ranked school, our program is a great way for you to start your degree and graduate from this top Ivy League University.

## Undergraduate Study

Within the two SUNY colleges of Cornell there are many options for agriculture and ecology related studies.

## Entry Requirements

**GPA: Varies by program**

**English scores:  
100 TOEFL/7 IELTS**

## College of Human Ecology Majors:

- Design and Environmental Analysis
- Fiber Science and Apparel Design
- Global and Public Health Sciences
- Human Biology, Health and Society
- College of Agriculture and Life Sciences
- Human Development
- Nutritional Sciences

## Policy Analysis and Management Majors:

- Agricultural Sciences
- Animal Science
- Applied Economics and Management
- Atmospheric Science
- Biological Engineering
- Biological Sciences
- Biology and Society
- Biometry and Statistics
- Communication
- Development Sociology
- Entomology
- Environmental Engineering
- Environmental and Sustainability Sciences
- Food Science
- Global and Public Health Sciences
- Information Science
- International Agriculture and Rural Development (IARD)
- Landscape Architecture
- Nutritional Sciences
- Plant Sciences
- Science of Earth Systems
- Viticulture and Enology

# Study fashion design at **Fashion Institute of Technology**

Fashion Institute of Technology (FIT) is one of the world's best programs for fashion and accessory design. Our students are welcome to apply for the prestigious institution, and try their hand at designing tomorrow's top fashions.

## The path to SUNY's Fashion Institute of Technology (FIT)

FIT is an internationally recognized premier institution for fashion, design, art, communications, and business. FIT is located in midtown New York City on 7th Avenue, also known as "Fashion Avenue". Established in 1944, FIT boasts Carolina Herrera, Calvin Klein, and Michael Kors among its alumni.

FIT requires all students to complete an Associate's degree first before you can apply for the 2-year Bachelor's degree program. Acceptance into FIT is competitive, especially for those whose first language is not English.

Our affiliate partner, SUNY Oneonta, has a 3+1 agreement with FIT upon admission where you spend 3 years at SUNY Oneonta and then transfer to FIT to complete the 4th or senior year. Through this 4-year study plan, students will earn a Bachelor's Degree in Fashion and Textiles from Oneonta and an Associate's of Applied Science Degree in Fashion Design from FIT.

## Study Abroad Opportunities:

Milan, Florence, Paris, or London

## Internships in:

New York City and Los Angeles

## Internships with:

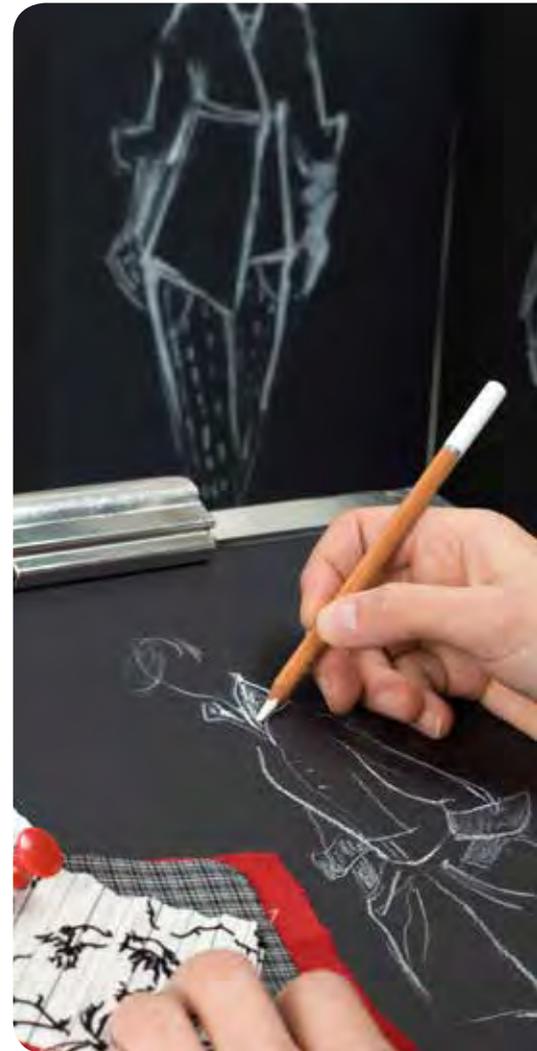

Vera Wang, Ralph Lauren, Dolce and Gabbana, Cosmopolitan, and Saks Fifth Avenue

Join the Student Fashion Society

Participate in the Student Fashion Society's Annual Fashion Show that highlights garments created by Fashion Design students

## U.S. States with the highest employment of fashion designers:

1. New York
2. California
3. Texas
4. Florida
5. New Jersey
6. Massachusetts

# Living in the heart of New York State

## BY CAR

Less than 1 Hour to Syracuse

4.5 Hours to New York City

4.5 Hours to Boston

## BY PLANE

1 Hour to New York City

1 Hour to Boston

3 Hours to Orlando, Florida

Our program is located at Morrisville State College. This SUNY school is located in New York State's Madison County, the geographic center of the state, making it easy for you to explore the area's natural beauty.

Enjoy hiking, biking, and horseback riding in the warmer months, and cross-country skiing and snowshoeing trails in the winter.

The area is a paradise for outdoor enthusiasts and it is close to many of the Northeast's most popular destinations including the Adirondacks, Lake Ontario, the Baseball Hall of Fame, Niagara Falls, and New York City, among many others.

### People are attracted to central New York State throughout the year for entertainment and culture including:

Beautiful parks including Chittenango Falls State Park	16 miles
Museum of Science & Technology (MOST) in Syracuse	34 miles
Howe Caverns	73 miles
Adirondack Scenic Railroad	33 miles
The Madison County Freedom Trail	13 miles
The Great New York State Fair (held every August)	37 miles
Rosamond Gifford Zoo	35 miles
Destiny USA Shopping Center	34 miles

from Morrisville State College

# Housing

Like most college freshmen, you will live in a residence hall (also called a dormitory or “dorm” for short), with a close-knit community of students, located right on Morrisville’s campus. This is a mandatory part of our program because residence halls are an ideal place to make friends, socialize, and acclimate to college life in America.

Like any SUNY student, you will have access to a dining hall, student center, coffee bar, health and wellness center, and athletics stadium, plus over 40 student clubs and organizations, a 24-hour vending machine store, and ATMs.

All of our students will have accommodation on campus at Morrisville State College (MSC). This means you will quickly become part of the close-knit community that MSC is known for, providing an excellent opportunity to get to know your fellow students and further immerse yourself in the local culture.

Students will be housed in a number of possible residence halls. Students may indicate their housing preferences on their housing questionnaire sent out in the initial pre-arrival information email.

## SAFETY ON CAMPUS

24-hour security

Secure access to dormitories with student ID card and key

Blue Light emergency phones that connect to the police throughout campus

Fire alarms throughout the buildings

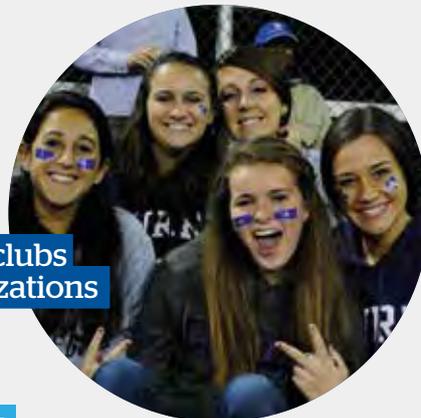

Surveillance cameras and lighted sidewalks to campus

Access to our student services mobile phone number

**Resident Assistants (RAs):** RAs are trained students who live on each floor with their fellow students. They are a student’s first contact for concerns and questions. RAs plan programs and assist the RDs with the day-to-day operations of the Residence Hall.

**Residence Directors (RDs):** Each Residence Hall is staffed by a live-in professional staff member (RD or building manager). In most residence halls, the professionals work on a full-time basis; RDs and building managers are trained administrators who have knowledge and experience in college residential living. They are responsible for the supervision of the Resident Assistants.

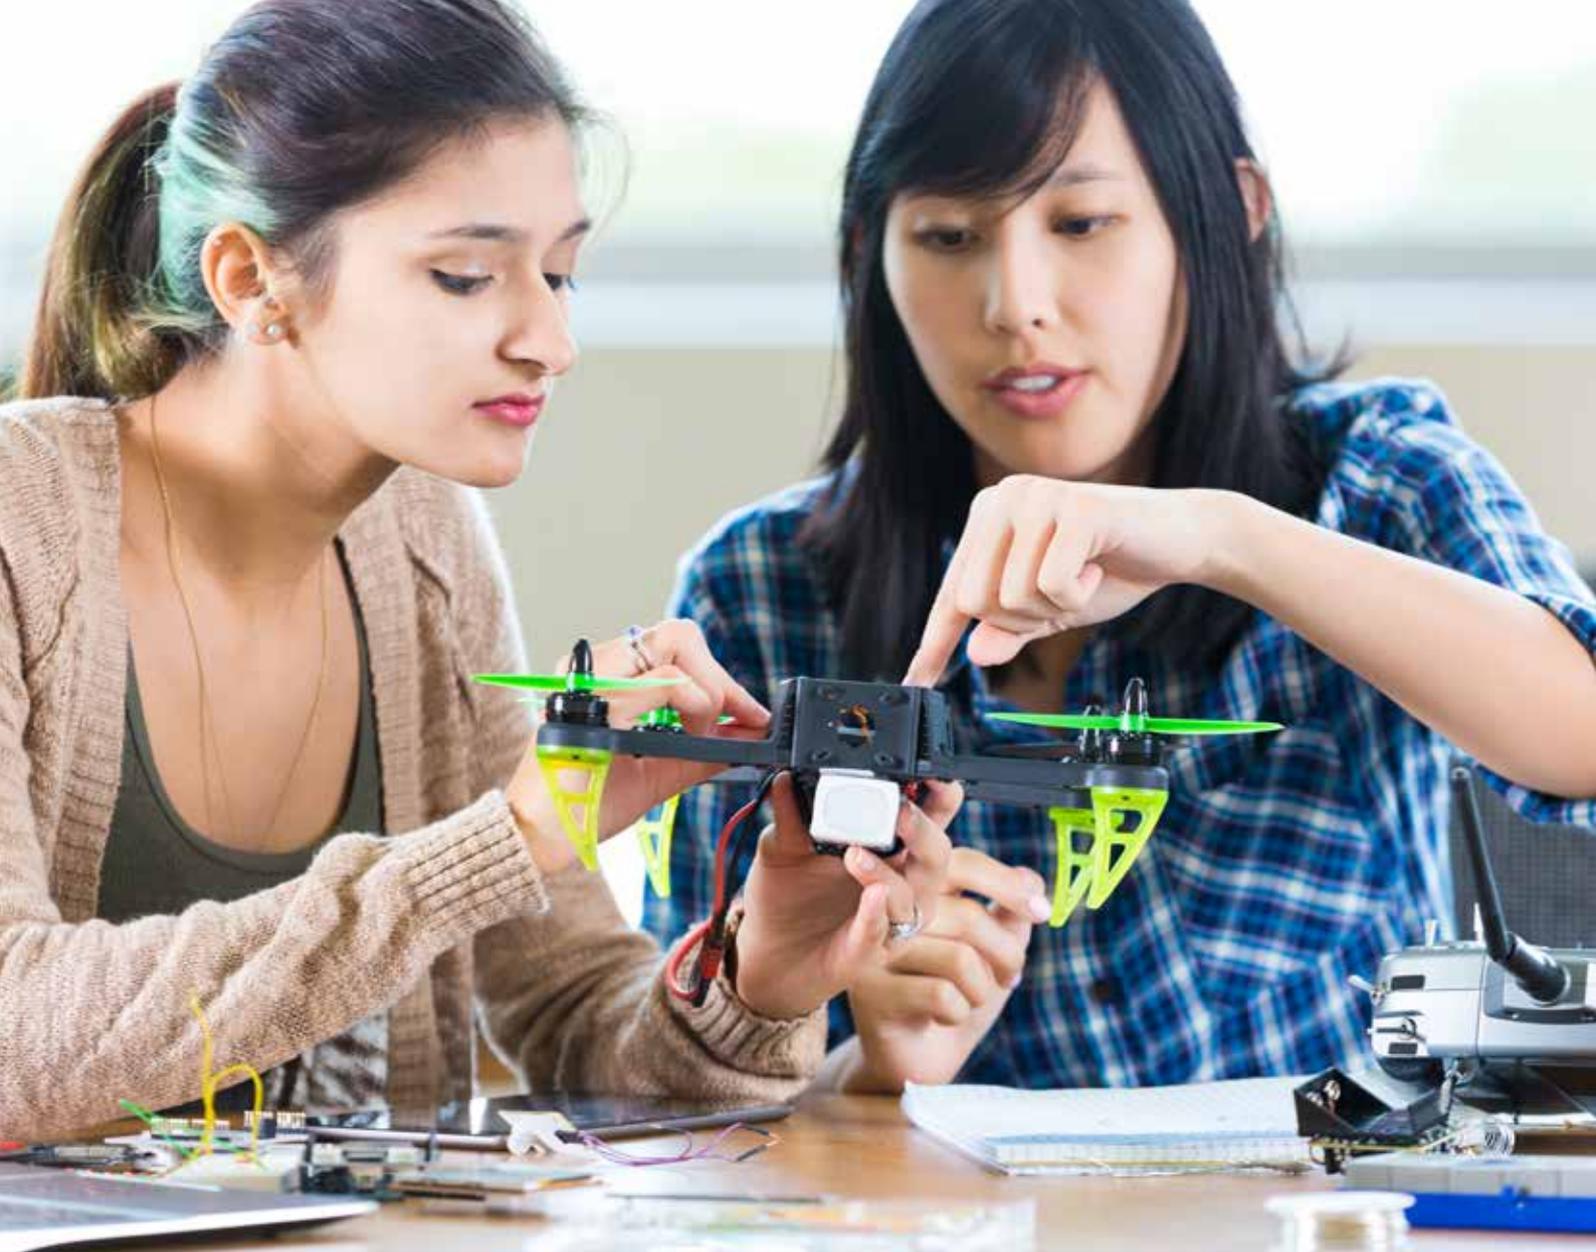

Each Residence Hall operates two staff offices where the RAs and RDs are available at various hours for questions and concerns. The RA desk is used to distribute recreational equipment, games, and other services provided by the Office of Residence Life.

Over 40 clubs & organizations

Live on a university campus alongside American students

# Our partners

Deciding on a degree program and school can be a daunting task when there are over 4,700 U.S. institutions to choose from.

We have pre-selected some of SUNY's best area universities to partner with our program.

SUNY institutions visit our center regularly to meet and talk with you about their schools and programs, to participate in our college fairs, and to interview students as part of the college application process. They know the value of our International First Year program and understand our students are prepared to succeed at these schools.

# About our Programs

Our program offers you a specially designed university preparation program that will support you in developing the skills you need – academically, socially, and professionally – to succeed in the U.S. higher education system. As a full-time student, you will earn college credit toward your future degree while improving your English language skills and perfecting your study techniques.

You will be earning credits toward your bachelor's degree while enrolled in our program

## Fulfill your ambition for a truly prestigious degree

A degree from a U.S. university is recognized globally as a distinctive achievement.

Your University Success Advisor will help you apply and progress to the SUNY Colleges and Universities of your choice.

## Part of the university from day one

Live on the university campus alongside other students with full access to all facilities and resources (e.g. library, gym, dining facilities).

## Quality assured

Morrisville State College is fully accredited by the Middle States Commission on Higher Education (MSCHE). The MSCHE is recognized by the U.S. Secretary of Education and the Council on Higher Education Accreditation (CHEA).

## Comprehensive study program

In addition to academic English support, you will take the same classes as other SUNY students, from the very same SUNY faculty, and earn up to 32 credits upon completion, equivalent to two semesters of University.

### **Who is this program designed for?**

Our **ONCAMPUS** program is designed for students who have completed senior secondary education and is a freshman year equivalent (year one) providing entry to year 2, or sophomore year, of an undergraduate degree.

### **How long will I study for?**

This program lasts two semesters (one academic year) with an optional third semester. You will undertake up to twenty-six (26) hours of classroom-based study per week.

### **What will I study?**

Our program includes supplemental academic English support and undergraduate courses. All support and courses are conducted in university-level English.

We offer you the courses you need to progress successfully. Whether you already know your chosen field of study or are still undecided, our experienced advisors will help you with the course selection process to start you on the right path to your degree. As part of your International First Year program, you will complete courses that fulfill the State University of New York's General Education Requirements each semester.

### **How will I be assessed?**

Upon arrival, you will be given placement exams in English, writing, reading, and math to ensure the correct placement within your International First Year program. All courses have university level assessment methodologies throughout, including group work assignments, essays, presentations, exams, and projects.

# International First Year (IFY)

A 2-semester program which prepares international students for successful progression to Year 2 of a SUNY Institution degree.

## PROGRAM DETAILS

Length of Program:	2 semesters
English Level:	5.0 IELTS, 55 TOEFL or equivalent
Hours per Week:	Up to 23

# International First Year (IFY) Extra

A unique study program for international undergraduate students who need additional English skills development as they start their university studies.

**IFY Extra** provides additional support with skills courses in Reading and Writing Essentials. At the end of the 2-semester program, students will have earned up to 24 credits and have the choice of continuing on for a third semester to complete their freshman credits or matriculate into a SUNY school.

## PROGRAM DETAILS

Length of Program:	2 semesters (optional third semester)
English Level:	4.5 IELTS, 48 TOEFL or equivalent
Hours per Week:	Up to 26

# Program Details

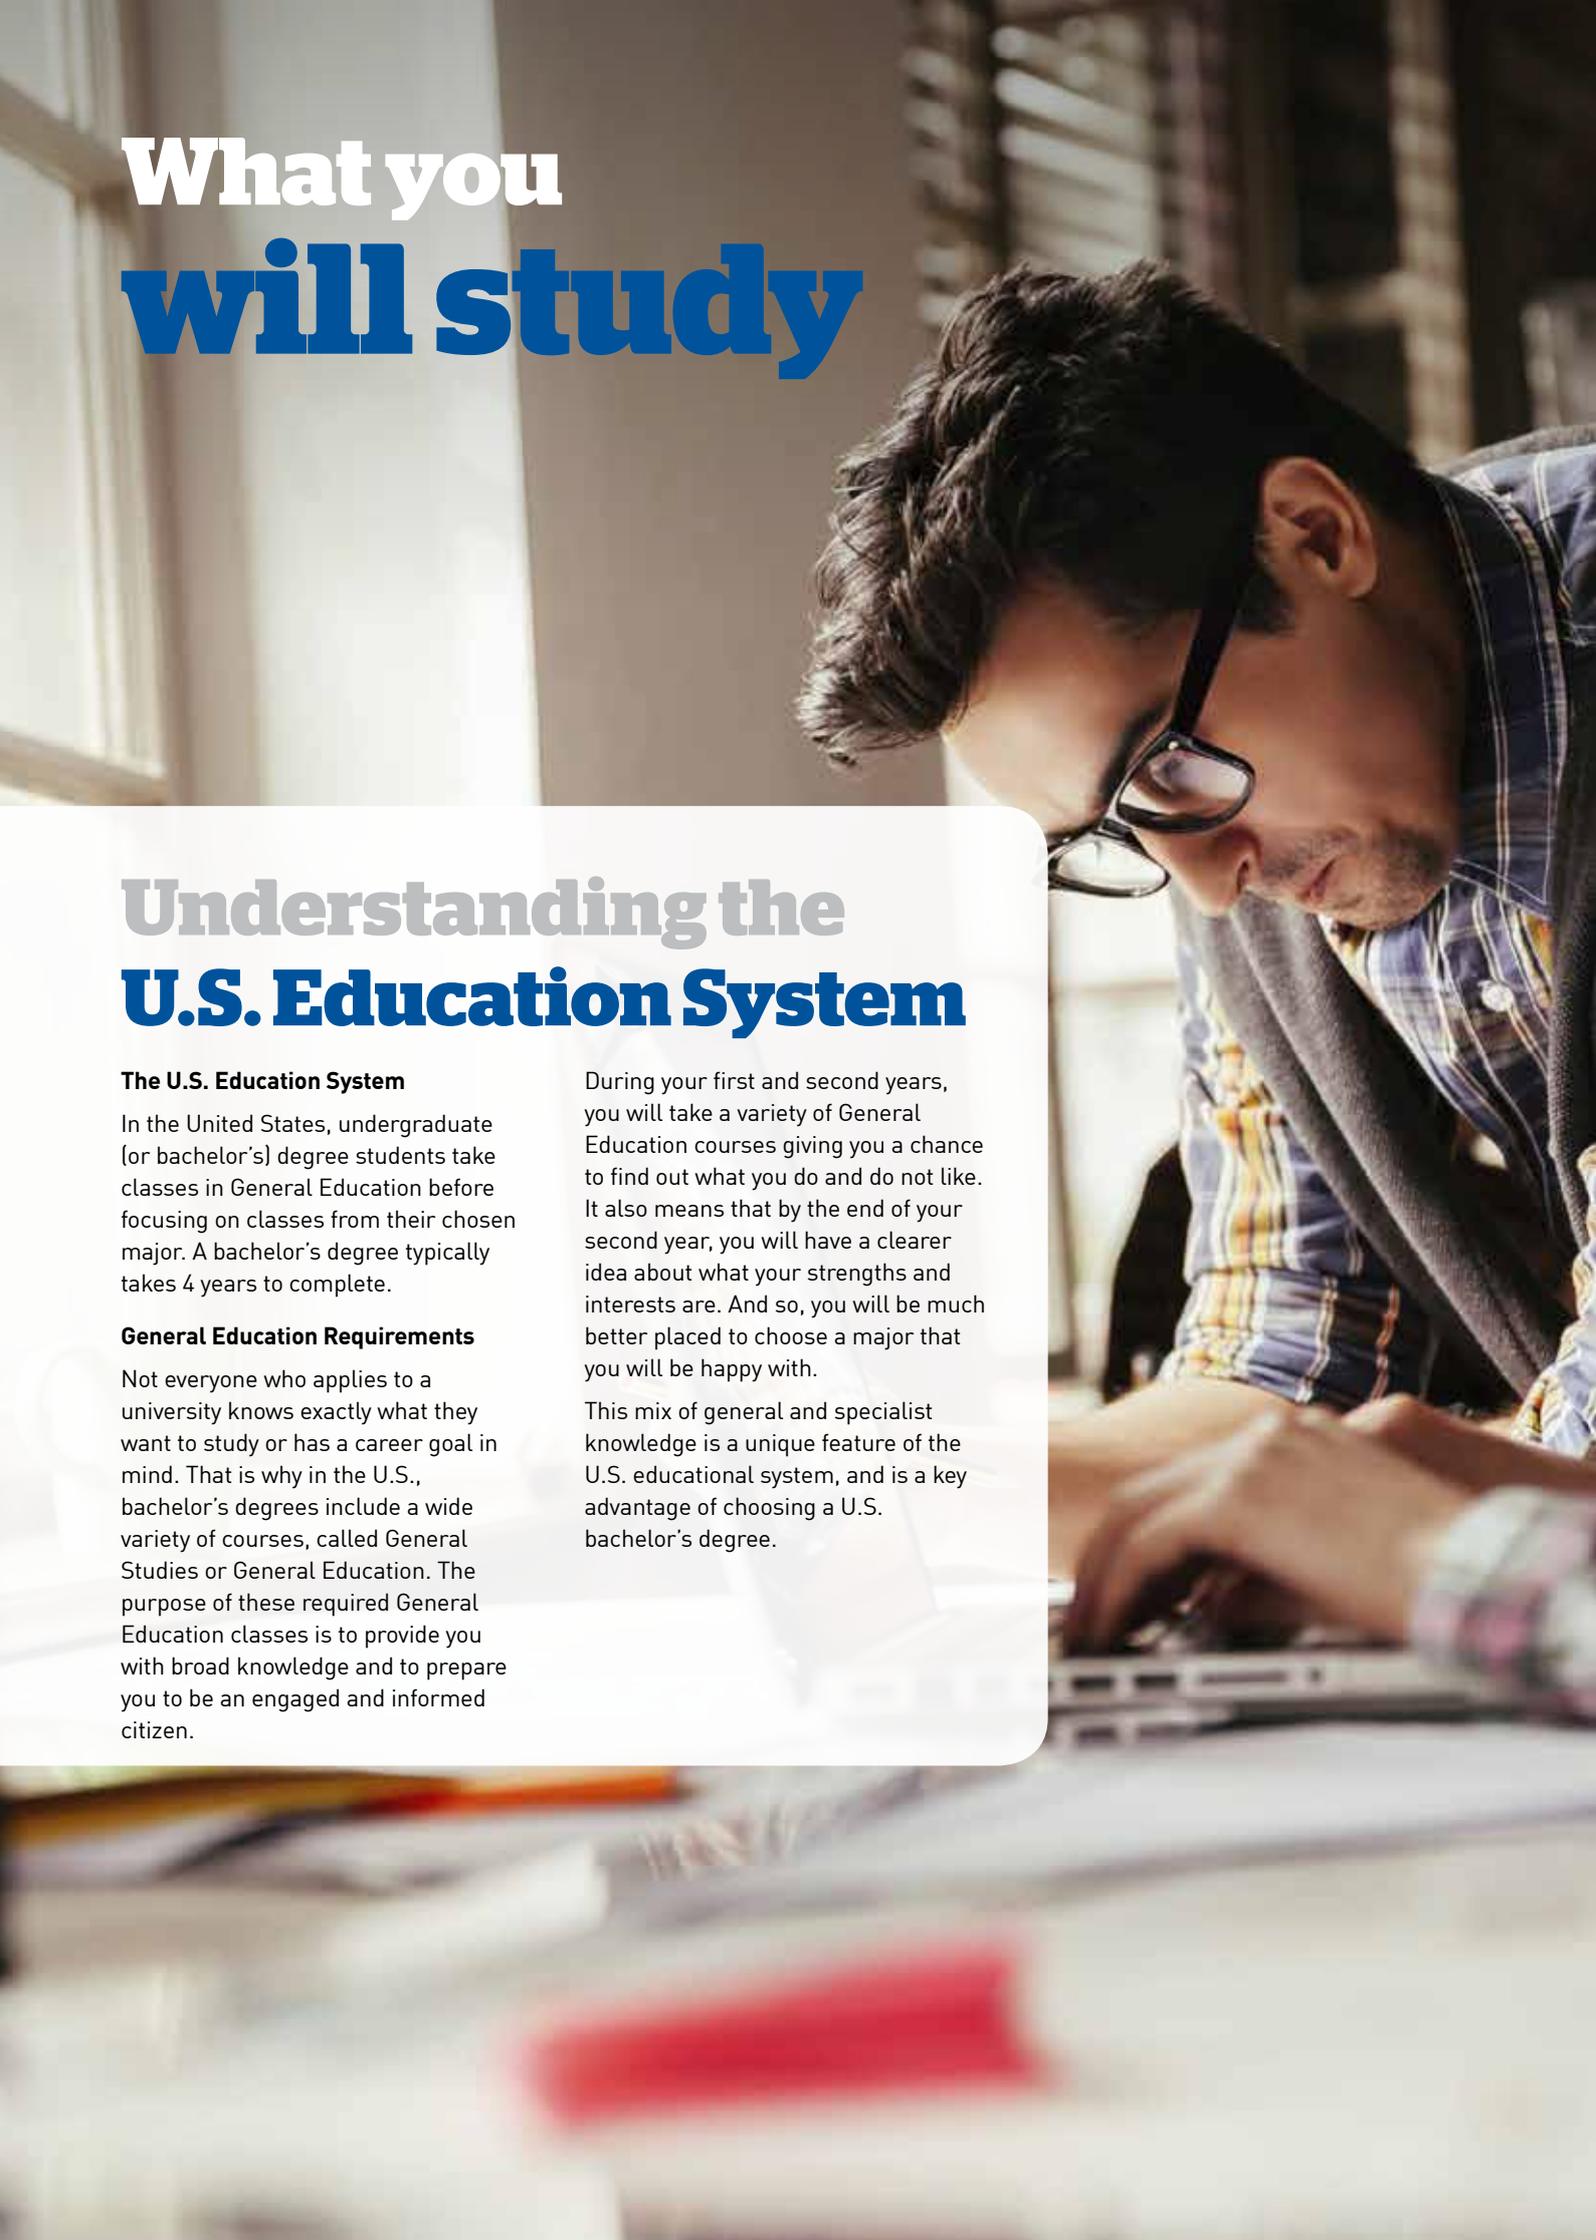

PROGRAM FEES*	ANNUAL FEES (2 SEMESTERS)
Tuition	\$24,990
Housing and Dining	\$15,400

Minimum Age:	16 (If you are under 18, a parent or guardian must sign a housing guarantee)
Requirements for Progression:	Students will need to meet the academic grades and conditions of their chosen university
Start Dates:	August 17, 2018
(Dates are subject to change)	January 4, 2019

\*Tuition fees include up to 32 credits.

All programs are subject to the listed \$300 non-refundable registration fee and a \$2,200 refundable deposit.

† Health insurance fees are estimate and are subject to change.

# What you will study

## Understanding the U.S. Education System

### **The U.S. Education System**

In the United States, undergraduate (or bachelor's) degree students take classes in General Education before focusing on classes from their chosen major. A bachelor's degree typically takes 4 years to complete.

### **General Education Requirements**

Not everyone who applies to a university knows exactly what they want to study or has a career goal in mind. That is why in the U.S., bachelor's degrees include a wide variety of courses, called General Studies or General Education. The purpose of these required General Education classes is to provide you with broad knowledge and to prepare you to be an engaged and informed citizen.

During your first and second years, you will take a variety of General Education courses giving you a chance to find out what you do and do not like. It also means that by the end of your second year, you will have a clearer idea about what your strengths and interests are. And so, you will be much better placed to choose a major that you will be happy with.

This mix of general and specialist knowledge is a unique feature of the U.S. educational system, and is a key advantage of choosing a U.S. bachelor's degree.

## International First Year (IFY)

### SEMESTER 1

Introduction to Biology  
Introduction to Visual Art  
English for Academic Purposes

*Based on Placement Exam:*  
Writing Essentials – or –  
Introduction to College Writing – or –  
Composition and Research  
English for Academic Purposes: Writing

# Transfer Advising & Student Support

## EXPERT GUIDANCE AND SUPPORT

In the United States, transferring to another school is common practice. Our specially trained higher education staff are here to help to prepare you for your American university experience through:

**Workshops**, including Introduction to SUNY; How to research and choose your perfect university; How to write a winning personal statement; How to apply to the best SUNY universities and colleges

**Open days**, which include visits from our SUNY partners, college visits, college fairs, and the SUNY Roadshow

**Interview** practice and training for university admissions tests

**One-on-one** academic and transfer advising meetings

**Career Exploration and Planning**

## TRANSFER ADVISING

The University Transfer Advising process provides a step-by-step approach to help you understand your learning interests and goals. It will help you explore other SUNY campuses that are the best match for you, assist you with the application process, and help you make the final decision on which school is best for you.

## 1 out of 3

students in the U.S. transfer schools at least once during their college study!

“The program helped me to achieve my goal of studying at an American university. I’ve learnt a lot of different things about American culture along the way which will help me settle quicker as I start my degree.”

CAROLINE • CHINA • PUBLIC HEALTH • UNIVERSITY AT ALBANY • #151 NATIONALLY RANKED

# University Transfer Advising: A 4-Step Process

## STEP 1

### INDIVIDUAL ASSESSMENT

Evaluate your aspirations, ideal environment, social interests, etc.

Review your intended field of study or major

Take a career self-assessment

## STEP 1b

### ONE-ON-ONE

Initial evaluation

Guided self-assessment

## STEP 2

### UNIVERSITY RESEARCH

Review university types, styles, locations, and selectivity

Visit partner universities and college fairs

Meet SUNY admissions representatives and attend information sessions

Research scholarship opportunities

Select and apply to at least 3-5 'best-fit' schools

## STEP 2b

### ONE-ON-ONE

Review of 'best fit' institutions

Short list of universities for application stage

## STEP 3

### APPLICATION PROCESS

Participate in essay writing workshops

Complete applications

Collect official transcripts, official test scores, letters of recommendation, and other application requirements

## STEP 3b

### ONE-ON-ONE

Collecting materials

Progress tracking & submitting applications

## STEP 4

### MAKING THE FINAL DECISION

Receive acceptance letters

Select institution for progression into Year 2

## STEP 4b

### ONE-ON-ONE

Review of acceptances

Transfer logistics

**Which university is best for you?**

We provide a 4-step university advising process

▶ College visits

▶ Application support

▶ College fairs

▶ Guidance on final decision

# Student Support

## Before you arrive

### Easy Admissions Process

Complete the application form and send supporting documents to our Admissions team.

### Professional Advice

We will guide you through the application process and answer any questions you may have.

### Academic English

Students who wish to improve their English language skills prior to enrolling in our program are invited to attend Academic English courses at one of our Stafford House International centers in the USA. For more information about our English courses, visit: [staffordhouse.com](http://staffordhouse.com)

### Pre-Arrival Handbook and Mobile App

Designed to support you before you arrive, both the Pre-Arrival Handbook and Mobile App answer many questions students have about moving to the United States and what to expect when you get here.

Download our pre-arrival app before you arrive.

## After you arrive

### Orientation

In the first days of your program, you will meet our staff and tour the campus and facilities. We will help you settle into your new home and offer advice on adjusting to American culture. You will learn more about our program and meet your teachers. Orientation is a great opportunity to make friends with other international students who are also in your program.

### UNIVERSITY SUCCESS SEMINAR (4 hours per week)

The weekly required University Success Seminar is designed to ensure that you unlock your full potential during your first year. You are given the support you need to make the most of your time. You will work through a Student Success Portfolio to build successful strategies in six areas: personal growth, academic achievement, social engagement, navigating U.S. higher education, accomplishing transfer goals, and professional competencies. Incorporated into the seminar are transfer workshops and visits with SUNY university admissions counselors.

### ACADEMIC SUPPORT CURRICULUM (8-12 hours per week)

You will benefit from mandatory support classes designed to provide direct guidance for your undergraduate courses in the areas of reading, writing, vocabulary, grammar, listening, and speaking. Morrisville State College professors and ONCAMPUS SUNY Instructors work together to give you the exact support you need to be successful. The skills you learn through this collaboration will be applicable throughout your studies.

### Personal Advising

You will receive one-on-one individual, academic, and transfer advising with our staff during your time in the program.

# Next Steps

## 1 APPLY

Please complete the **ONCAMPUS SUNY** Application Form and send it to our Admissions team, along with electronic copies of the following:

- Academic Transcripts (and certified translations, if your transcripts are not in English)
- Copy of your passport information page
- Evidence of English language level

## 2 RECEIVE OFFER

Within two working days, you will receive a response of: (1) a conditional offer, (2) a request for more information, or (3) a notification that the application is under further review. Conditional offers will note any required documents that are missing.

- Send the completed Immigration Check form and a copy of any previous or current visas and I-20 documents electronically to Admissions\*.
- Collect proof of funds as detailed in the Financial Declaration, with any other required forms and send electronically to Admissions.
- Fulfill any remaining conditions noted on your conditional offer letter.
- Pay the registration fee (\$300) and the deposit (\$2,200).

\*These forms are required, and an acceptance letter will not be issued unless they are completed.

## 3 ACCEPTANCE LETTER AND I-20

- Once you meet all of the conditions of acceptance, a draft Acceptance Letter will be issued within two working days.
- Review the draft Acceptance Letter to make sure all information is correct and confirm the shipping address to which the original I-20 document should be sent.
- Once you have sent any amendments to the Acceptance Letter to the Admissions team, or the Acceptance Letter is confirmed accurate with them, you will be emailed an electronic copy of the I-20 within one week, which will be followed by the original document in the mail.

## 4 F-1 STUDENT VISA APPLICATION

- Once you have received an electronic copy of your I-20, arrange for a visa appointment at your local U.S. Embassy or Consulate and collect all of the required documents.
- Follow the instructions from your local U.S. Embassy or Consulate website to start your visa application.
- You should be sure that you are prepared to answer questions relating to your chosen study program in the USA, your own educational background, your career intentions, and your reason(s) for choosing this particular course of study.

## 5 PREPARE FOR ARRIVAL AT MORRISVILLE STATE COLLEGE

- A pre-arrival handbook, which includes important information for your course of study, pre-arrival forms, and medical forms, will be sent along with the electronic copy of the I-20, and will help prepare you for your arrival in New York.
- You will also receive a housing questionnaire that must be completed and sent to the Student Support Advisor at [ssa-suny@oncampus.global](mailto:ssa-suny@oncampus.global).
- You must give arrival details or complete the Travel Questionnaire and send to Admissions and should arrive by the day before the program starts.

You can also complete the application online at [www.oncampus.global](http://www.oncampus.global)

Email: [admissions@oncampus.global](mailto:admissions@oncampus.global)

# Preparing for your student visa interview

Should your application be successful and you are admitted to our program, your next step will be to apply for a student visa. As part of the visa application process, you will likely have to attend an in-person visa interview. Below are some tips on how to prepare for this.

Please note: We cannot guarantee a successful outcome to your visa interview. These tips are only meant to advise you on what you can expect during your visa interview.

**Do attend:** Failure to attend the interview may result in your application being automatically refused.

**Do answer:** You should always answer all questions fully and honestly.

**Do think:** You should think in advance about your program, the documents you provided in your visa application, and your intention to study. The Visa Official wants to know that you have given serious thought before choosing your course.

**Do speak English:** The Visa Official will likely be checking your level of English so always answer in English, not via an interpreter. Practice answers to potential questions and be prepared.

**Do ask:** Ask for clarification if you do not understand a question to make sure you are providing the information they want.

**Documents to bring:** Check the documents required by your specific embassy at: [www.usembassy.gov](http://www.usembassy.gov)

In general, students are asked to provide the following documentation:

- 1 Original I-20
- 2 Proof of payment of SEVIS fee
- 3 Completed DS-160 form (non-immigrant visa application)
- 4 Acceptance letter
- 5 Passport
- 6 Academic transcripts (with translations)
- 7 Financial evidence used for the I-20
- 8 Passport-sized photograph

## HERE ARE TIPS FOR SOME OF THE TYPES OF QUESTIONS YOU MAY BE ASKED:

**Question type:** General Information about you, your education, your choice to study in the U.S.

**Tip:** Show that you are a genuine student looking to further your education. Make it clear that you plan to return to your home country by showing strong ties — give reasons for returning to your home country that are stronger than those for remaining in the USA.

**Question type:** Intended Course: what you plan to study at ONCAMPUS SUNY, course dates, and program details.

**Tip:** Become familiar with the information on our website and/or brochure.

Bring a brochure with you to show the visa official.

Explain why you want to attend your particular program for study. If the consulate official believes you want to remain in the USA after your program, you may not receive a visa.

You should be able to explain how studying in the USA relates to your future professional career in your home country.

**Question type:** Financial Circumstances: who will be paying for your course and what are the fees.

**Tip:** Bring all required financial documents and anything else you may have that helps support your financial status.

If you have been awarded a scholarship, bring a certificate or proof of your award.

**Question type:** Living in America: Where the school is located, and housing.

**Tip:** Bring your offer letter to show that you have been accepted into the program. Housing is on campus.

Learn about our location and clearly describe where the school is located within New York state.

# Application Form

Apply ONLINE at [www.oncampus.global/apply](http://www.oncampus.global/apply) or return this form to:  
 Admissions Office, ONCAMPUS, 38 Chauncy Street, Boston, MA 02111, USA  
 Tel: +1.617.453.7710 Email: [admissions@oncampus.global](mailto:admissions@oncampus.global)

**Incomplete application forms, submitted without ALL of the supporting documents, will delay the decision process.**

## 1. Personal Details (must be completed)

Title (Mr/Mrs/Miss/Ms etc)

First Name(s)
