

ONCAMPUS UCLan Accommodation

Halls of Residence

Non-En-suite halls contain single rooms and are only a few minutes' walk from the library and main teaching buildings. Each bedroom has its own bed, wardrobe, sink, desk, telephone, and free internet connection. The bedrooms are grouped into flats, with four, five or six bedrooms in each flat. Every flat has its own kitchen and bathroom, which can only be accessed by the people who live in that flat.

En-suite halls contain up to seven study bedrooms in each flat. They are known as en-suite flats because each bedroom has its own washing, shower and toilet facilities. Again, each flat has a shared kitchen/lounge area, which can only be accessed by the people who live in the flat.

Non-En-suite Room: ranges from £79.03 - £83.02 per week

En-suite Room: ranges from £97.37 - £99.47 per week

Private Student Halls

There are several private halls of residence close to the campus. The larger halls accommodate between 350 and 670 students and are usually up to five storeys high. Most rooms have en-suite bathrooms and most have telephone lines. The bedrooms contain a bed, desk, chair, wardrobe, drawers and a bookshelf. The rooms are in flats where the kitchen is shared with a few other students (normally between 3 – 6 other students). There are a small number of studio flats where you have your own kitchen. The rent includes the gas, electricity and water charges.

Registered Shared Housing

There is a good supply of properties to rent from private landlords who are registered with UCLan Student Accommodation Service. Many of these are shared houses for between 3 and 6 people but there is also accommodation in larger residences and a limited supply of self-catered flats for 1 or 2 people. Contract lengths vary from 38 to 52 weeks, and costs are between £45 and £70 per week. These details are for guidance only, and details of the individual accommodation can be found by logging into the University's system called Studentpad.

General Accommodation Information

If you go home during the holidays, you will not be given a refund for the weeks you are not living in your accommodation. Most University Halls are occupied by students of both sexes and by a variety of different cultures and religions. Should you wish to live with a particular group of people, this may be possible but cannot be guaranteed. Most international students are required to pay the full fees for accommodation before arrival. The standard accommodation contract lasts until 29th June 2017, so you will need to extend your accommodation contract at this point. The office staff will be happy to help you with this later in the year.
