

## ONCAMPUS Homestay Application Form

ONCAMPUS have a number of partnerships with homestay providers all of which meet and adhere to the standards outlined by the British Council. Located across London, host families can provide you with a warm and welcoming place to live, while giving you plenty of opportunities to practice your English outside of class. The host will provide accommodation and meals as booked – We recommend all students book a half board option; however, we only request this for students under 18. Hosts are there to help, provide advice and offer that extra support.

ONCAMPUS London is situated in zone 1 and ONCAMPUS London South Bank on the line of zone 1 and 2. Homestay families are located across London in zones 2-4.

Please be aware the following journey times are approximate and may vary at different times throughout the year. Generally, homestays located closer to zone 1 fall in a higher price bracket.

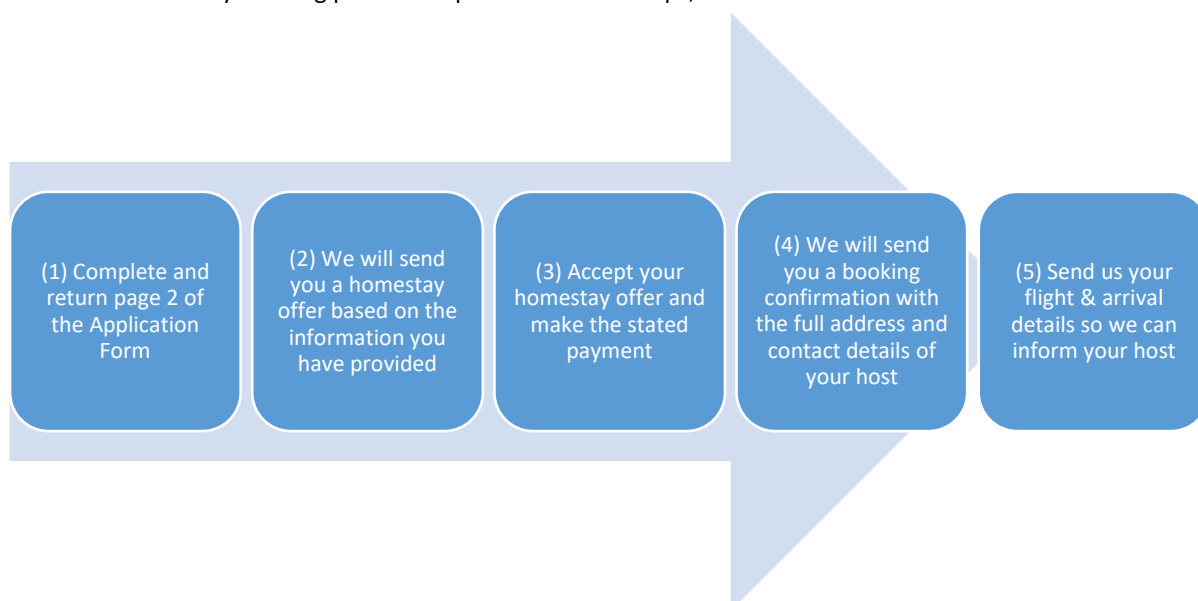

**Zone 2 - 25 to 45 minutes**

**Zone 3 – 35 to 50 minutes**

**Zone 4 – 45 to 60 minutes**

The cost for homestay accommodation does vary depending on the information and criteria you select. If you have requested any special requirements this may result in a higher cost. We recommend booking as soon as possible as host families are in very high demand. The cost of homestays can range from £175-£260 per week.
