2018-2019
www.oncampus.global

A warm Welcome

UNT[®]

UNIVERSITY
OF NORTH TEXAS[®]

"In our program, many of our students have earned top academic honors and have gone on to study business, engineering, journalism, pre-medical studies and more at the University of North Texas. They are also fully involved in campus life. One graduate works for the university as a resident assistant and orientation leader, another is involved in the Ultimate Frisbee club and has travelled all over the state of Texas with his new friends. Our students love the recreation center and the free movies in the union, and they take advantage of the advising we provide to choose majors and improve academic skills.

I look forward to welcoming you to our campus and introducing all the opportunities you will have here very soon!

Timothy Hathaway,
Center Director

The University of North Texas

University of North Texas (UNT) is a large, public, student-centered research university located in the Dallas-Fort Worth region of Texas. The university is committed to advancing educational excellence and preparing students to become thoughtful, engaged citizens of the world. Founded in 1890, UNT offers a traditional, intellectually rigorous college experience to more than 38,000 students.

You can choose from more than 100 majors at University of North Texas:

- College of Business
- College of Education
- College of Engineering
- College of Information
- College of Health and Public Services
- College of Liberal Arts and Social Sciences
- College of Merchandising, Hospitality and Tourism
- College of Music
- College of Science
- College of Visual Arts and Design
- Frank W. and Sue Mayborn School of Journalism

University of North Texas Colleges

College of Business

The College of Business prepares tomorrow's business leaders in an intellectually stimulating and collegial community through high quality teaching, research and service.

The College of Business is one of the largest business schools in the nation and contributes to the economic development of the region. Top-ranked programs include the nationally recognized logistics and supply chain management program.

UNT's state-of-the-art Business Leadership Building is the most visible proof of the College of Business' commitment to providing you with a high-quality education.

The student-focused amenities in the building – like the spacious atrium and Biz Café – encourage conversation and collaboration outside of the classroom. Three research labs, team study rooms, outdoor terraces, Apple TV-enabled classrooms and cloud computing technology enhance your learning experience. The building is designed to accommodate 8,000 students and is certified LEED Gold for sustainability.

UNT's College of Business has a strong network of **40,000** alumni, of which more than **700** are CEOs or presidents of their own organizations.

College of Business Majors:

Accounting
Aviation Logistics
Business Analytics
Business Integrated Studies
Economics
Entrepreneurship
Finance
Business Computer Information Systems
Logistics and Supply Chain Management
Marketing
Operations and Supply Chain Management
Organizational Behavior and Human Resource Management
Real Estate
Risk, Insurance and Financial Services

The UNT College of Business has been continuously accredited by the Association to Advance Collegiate Schools of Business (AACSB) since 1961.

Don't yet know what you want to study? That is okay! You do not have to choose a major until the end of your second year at most American universities.

College of **Merchandising, Hospitality and Tourism**

The College of Merchandising, Hospitality and Tourism houses the largest merchandising program in the nation and one of the largest hospitality and tourism management programs. Its innovative degrees include the nation's first bachelor's degree in digital retailing and master's degree in international sustainable tourism. The mission of the College of Merchandising, Hospitality and Tourism is to educate students for the globalization of the hospitality, retail and tourism industries.

All students of the College of Merchandising, Hospitality and Tourism complete an internship before graduating. An internship provides students with supervised, hands-on industry experience and career awareness. This setting provides fascinating and valuable opportunities for experiential learning and serves as a bridge between education and business. Through the internship, the student experiences the transfer of knowledge gained in the classroom to tasks such as problem solving, critical thinking, and working as a team member.

College of Music

The College of Music is one of the nation's largest and most respected comprehensive music schools. It offers fully accredited degrees from the bachelor to doctoral levels and is home to the world's first jazz studies degree program. Faculty include internationally acclaimed artists and scholars in composition, conducting, ethnomusicology, music education, music entrepreneurship, music history, music theory and performance. The college presents more than 1,100 concerts and recitals annually. UNT music alumni can be found around the globe in impressive, award-winning careers across a wide-range of music professions.

College of Music Majors:

- Instrumental Performance
- Keyboard Performance
- Music
- Music Theory
- Vocal Performance

Denton, Texas is the **#1 best college town for music majors in America**, according to MusicSchoolCentral.com.

ENSEMBLES INCLUDE:

- Chamber Music
- Choral
- Early Music
- Jazz
- Opera
- Orchestra
- Percussion
- Wind Studies

HOLLYWOOD REPORTER
The College of Music is ranked #16 in the world

*Additional fees may apply for separate application, audition, and music courses. Auditions can take place in person or online. College of Music recruits for fall start only.

College of Visual Arts and Design

The College of Visual Arts and Design is considered one of the best and most comprehensive visual arts schools in the nation. Its programs include a nationally ranked graduate fine arts program, a graphic design program ranked first in the Southwest, and the state's only Ph.D. in art education.

College of Visual Arts and Design Majors:

Art History
Ceramics
Communication Design
Drawing and Painting
Fashion Design
Fibers
Interdisciplinary Art and Design Studies
Interior Design

College of Health and Public Services

The College of Health and Public Service takes academics beyond the classroom and into the community, offering hands on experience across a variety of social issues. Nationally ranked graduate programs include audiology, city management and urban policy, public management administration, rehabilitation counseling, and an online criminal justice program.

College of Health and Public Services Majors:

- Applied Arts & Sciences
- Applied Audiology & Speech-Language Pathology
- Behavior Analysis
- Criminal Justice
- Emergency Administration & Planning
- Rehabilitation Studies
- Social Work

College of Science

The College of Science consists of the departments of biological sciences, chemistry, mathematics and physics, as well as several interdisciplinary educational and research programs. It is the home of nearly 4,000 science and math majors and is a powerhouse for cutting edge research in natural, physical and mathematical sciences.

College of Science Majors:

- Biochemistry
- Biology
- Chemistry
- Ecology for Environmental Science
- Mathematics
- Medical Laboratory Sciences
- Physics

College of Education

The College of Education is regionally and nationally recognized for excellence in preparing teachers, administrators, counselors, kinesiology and health promotion specialists, play therapists and other educators. It is one of Texas' top producers of students taking the state teaching certification exam.

College of Education Majors:

- Elementary, Middle School and Secondary Education
- Health Promotion
- Human Development and Family Science
- Kinesiology
- Recreation, Event and Sport Management

The environmental philosophy program is recognized as the **best in the world** by the International Association for Environmental Philosophy

Frank W. and Sue **Mayborn School of Journalism**

The Mayborn School of Journalism prepares students to work in all communications fields and offers the only nationally accredited professional journalism master's program in Texas. It hosts one of the nation's premier writing conferences, the Mayborn Literary Nonfiction Conference.

The Mayborn School of Journalism has been a major provider of professionals and academics for all forms of media, profit and non-profit communication organizations since 1945.

Frank W. and Sue Mayborn School of Journalism Majors:

Journalism

Concentrations include:
[Advertising](#) | [Broadcast/Digital](#) | [Digital/Print](#) | [Photo Journalism](#) | [Public Relations](#)

UNT is located in the nation's 5th largest media market, allowing access to hundreds of companies with internship opportunities.

PARTICIPATE IN:

- ➔ **The North Texas Daily** - A student newspaper for UNT covering a variety of topics for students and area residents.
- ➔ **NTDailyRadio.com** - An online radio station where students produce daily local news, interviews, special topics of interest, and sports programs for listeners in the local community.
- ➔ **NTDaily TV** - Student-produced newscast, sports talk shows and community affairs, shown on Denton Community Television.
- ➔ **SWOOP** - A student-run advertising agency that serves real clients, to give students real world experience.
- ➔ **Hatch Visuals** - A student-run photo agency that offers real-world experience for visual storytellers.
- ➔ **Gravitas** - The UNT Ad team which competes in the annual National Student Advertising Competition.
- ➔ **Denton Live** - A partnership with the Denton CVB student-written magazine and website showcasing local events.
- ➔ **The Mayborn** - The annual literary magazine of the Mayborn Graduate Institute blends the work of professional writers and Mayborn students.
- ➔ **Ten Spurs** - A collection of award-winning selections from the annual Mayborn Literary Nonfiction Conference.

“UNT feels like home. It has top notch infrastructure and so many other facilities – ranging from academic support to sports and physical activity. Feels great to be here. I’m happy that I’m learning new things.”

VENKAT • INDIA • MAJOR: MEDIA ARTS

Mean Green Nickname

UNT’s unique Mean Green nickname originated in the 1960s as fans cheered on the football team and its punishing defense.

The earliest newspaper references to the Mean Green appeared in the spring of 1967. One of the original Mean Green players went on to a Hall of Fame career in the NFL with a nickname of his own, “Mean” Joe Greene. The dominating lineman became the cornerstone of the Pittsburgh Steelers’ “Steel Curtain” defense and a four-time Super Bowl champion. Today, all of UNT’s athletics teams are known as the Mean Green.

Scrapy, the Eagle Mascot

Students chose the Eagle as their mascot in 1922 for its keen eye, strength, independence and loyalty. In 1950, students named the first live bird mascot “Scrapy,” which later became the name of the human mascot. The Eagle was known by other names through the years, including “Eppy” in the 1980s. But in 1995, the modern day Scrapy returned to the nest as the Mean Green’s biggest fan.

Notable Alumni include:

Dr. Phil

ACTORS: Peter Weller and Thomas Haden Church

Foreign Minister of Saudi Arabia, Adel al-Jubeir

Former Prime Minister of Jordan, Taher al-Masri

GRAMMY AWARD-WINNERS: Don Henley, Roy Orbison, Norah Jones, and Maren Morris

ACADEMY OF COUNTRY MUSIC WINNERS: Eli Young Band

What do you want to do when you graduate?

UNT Career Center

UNT's Career Center advisors are experts at helping you explore career and internship possibilities.

With options for nearly every major, the services include:

Resume-building Advice

Networking Events

Career Advising

Eagle Careers

Career Fairs

Etiquette Workshops

Mock Interviews

Take advantage of our many services and set yourself up for success.

Optional Practical Training

Optional Practical Training (OPT) enables you to work in the United States after graduation for up to 12 months. For international students who graduate from STEM-related programs (Science, Technology, Engineering, and Math), OPT can be a 36-month program.

Students have found internship opportunities at these companies:

- ALCATEL USA
- AT&T
- Bell Helicopter Textron Inc.
- ExxonMobil
- GameStop
- General Electric
- IBM
- Microsoft Corporation
- Motorola
- Nokia
- Nortel
- Raytheon
- Southwest Airlines
- Texas Instruments

North Texas is home to one of the largest high-tech centers in the U.S. — it is known as the Telecom Corridor, and is home to Texas Instruments, Samsung, Nortel and MetroPCS. There are plenty of internship and career opportunities in the Denton, Dallas, and Fort Worth areas.

Denton County is America's #1 county with strongest economic growth forecast for the next 5 years

OXFORD ECONOMICS

The Career Center will help students find and land these opportunities, and the U.S. Government allows for paid work opportunities after graduation. Bringing home this hands-on experience will surely help you succeed in your own career goals.

“The best part for me has been learning to be independent and look after myself as well as managing work and maintaining a balance.”

AURIEL • INDIA • MAJOR: BIOLOGY

Texas

The cities of Dallas and Fort Worth are located only 45 minutes south of Denton and are accessible by train. The cosmopolitan Dallas-Fort Worth area offers a wealth of world-class cultural, social, recreational and leisure opportunities. Dallas also has the largest urban arts district in the country, adding to the leading reputation in Arts and Arts Education at UNT.

You can find more than **6,000 cultural exhibits and performances** annually in the Dallas-Fort Worth region

If North Texas were a country, it would have the **27th largest Gross Domestic Product (GDP)** between Austria and Argentina.

More than 6.5 million people live in the North Texas area.

This area is home to many famous professional sports teams including the Dallas Cowboys (American Football), Texas Rangers (Baseball), Dallas Mavericks (Basketball), Dallas Stars (Hockey) and FC Dallas (Soccer).

“I have made friends from Vietnam, China, Korea, Venezuela, India, Pakistan, and American students. This surprised me most because I never expected to have so many friends from other countries.”

ANDREW • MALAYSIAN • MAJOR: COMPUTER SCIENCE

DENTON

Denton offers the best of both worlds: a bustling college town (population 122,000) and access to the Dallas-Fort Worth area (known locally as the Metroplex with a population of 6.5 million). Denton's downtown square combines an active art and live music scene with a hometown feel, while having many shops and restaurants to explore.

Denton was named
**7th best college town
 in the U.S**

Texas has the charm and appeal of typical American life and easy access to cultural hubs like Dallas. University of North Texas may be our largest American university partner, but it is also safe and beautiful, too!

On Campus Housing

Like most college freshmen, you will live right on campus in a residence hall (also called a dormitory, or “dorm” for short) with other students. This is a mandatory part of our program because residence halls are a great place to make friends, socialize, and adjust to college life in America. This means you will quickly become part of a close community, providing an excellent opportunity to get to know your fellow students.

Students will be housed in UNT’s Traditions Hall. Primarily a freshman hall, the building offers mostly private rooms for residents with a few double occupancy rooms. In double rooms, you will share a room with another

student of the same gender who may be American or another international student who speaks a different language than you.

Your floor will have a Resident Assistant (also a student at University of North Texas) who organizes social activities and is there to answer your questions. There is also a Resident Director, a professional who is responsible for creating a safe and happy environment for everyone in the building.

**Live on a university
campus alongside
American students**

RESIDENCE HALL FACILITIES INCLUDE:

Private rooms

Lobby area with TV lounge

Entertainment equipment
available for checkout
(board games, billiards,
and ping pong equipment)

Community kitchen for
public use

Community study rooms

Wireless internet
throughout the building

Large laundry room

Courtyard with BBQ grills

Beds, dressers and desks

24-hour security

And Dining

A meal plan is included, and you will find the dining hall and campus cafés are also great places to socialize with friends. UNT Dining Services offers a wide variety of fresh foods designed to satisfy everyone's appetite.

5 Dining Halls to choose from including Mean Greens, a full vegan dining hall featuring everything from seitan and pizza to made-to-order paninis and fresh desserts.

FEATURING:

Regional and Ethnic Specialties

Lower Fat/Lower Calorie

Vegan/Vegetarian

Enjoy quality dining at these convenient Retail Food Shops across campus:

Burger King | Chick-fil-A | Fuzzy's Tacos | Starbucks | Jamba Juice | Krispy Krunchy | Taco Bueno | Which Wich

"What will I eat?" and "Where will I live?" are the two things our students worry about the most before arriving. Don't worry! We've got you covered! Our on-campus accommodations and food services are both great and will make you feel instantly comfortable when you get here.

International First Year Program

Our program offers you a specially designed university preparation program that will support you in developing the skills you need – academically, socially, and professionally – to succeed in the U.S. higher education system. As a full-time student, you will earn college credit toward your future degree while improving your English language skills and perfecting your study techniques.

You will be earning credits toward your bachelor's degree while enrolled in our program

Your progression to year two at University of North Texas is guaranteed,* when you successfully complete the two-semester program

Fulfill your ambition for a truly prestigious degree

Our program offers guaranteed progression* to year two at University of North Texas upon successful completion of our two-semester program.

You are part of the university from day one

Study in the heart of Texas and live on a university campus alongside American students with full access to all campus facilities and student resources.

Quality assured

UNT is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). SACSCOC is the southern regional accrediting body serving Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, Virginia and Latin America.

Comprehensive study program

In addition to instruction in writing and speaking English, you will take academic classes in small groups tailored for international students, taught by faculty of University of North Texas. You will earn up to 30 credits upon completion, equivalent to the first year of university.

*Guaranteed progression is subject to meeting the specified criteria.

Who is this program designed for?

Our program is designed for students who have completed senior secondary education and is a freshman year equivalent (year one) providing entry to year 2, or sophomore year, of an undergraduate degree at the University of North Texas.

How long will I study?

This program lasts for one academic year. The year is divided into two semesters. You will take up to twenty-nine (29) hours of classroom-based study per week.

What will I study?

Our proven program has carefully selected its academic courses to make sure that you are working toward completing the general education requirements of the University of North Texas. This ensures you the maximum flexibility when choosing your major later in your studies.

This program also includes extra support classes. English will be integrated into the teaching of academic subjects, and will be taught separately if you need more support to develop your language skills.

How will I be assessed?

You will be assessed regularly throughout the program to make sure you are reaching the progress needed to successfully complete the program. Assessment methods are similar to those you will experience in the American university environment. They include project work, essays, presentations, and exams.

Student Support

Before you arrive

Easy Admissions Process

Complete the application form and send supporting documents to our Admissions team.

Professional Advice

We will guide you through the application process and answer any questions you may have.

Academic English

Students who wish to improve their English language skills prior to enrolling in our program are invited to attend Academic English courses at one of our Stafford House International centers in the USA. For more information about our English courses, visit: staffordhouse.com

Pre-Arrival Handbook and Mobile App

Designed to support you before you arrive, both the Pre-Arrival Handbook and Mobile App answer many questions students have about moving to the United States and what to expect when you get here.

Download our new
pre-arrival app
before you arrive.

After you arrive

Orientation

In the first days of your program, you will meet our staff and tour the campus and facilities. We will help you settle into your new home and offer advice on adjusting to American culture. You will learn more about our program and meet your teachers. Orientation is a great opportunity to make friends with other international students who are also in your program.

SEMINAR (2 hours per week)

For up to two hours each week, you will learn about the resources available at University of North Texas, develop intercultural understanding, explore extracurricular opportunities, and also receive instruction on core academic/study skills to help you study more effectively, make presentations, and much more.

ACADEMIC SKILLS SUPPORT CURRICULUM (8 hours per week)

You will benefit from a support curriculum designed for your needs and those of other international students in your program. You will learn academic skills needed for success at university and beyond.

Personal Advising

You will attend one on one academic and progression advising meetings with our staff during your two semesters in the program.

We will help you every step of the way – from your application to setting up a bank account here in Texas. We are here to help you adjust, and we want to see you succeed!

What you will study

Understanding the U.S. Education System

The U.S. Education System

In the United States, undergraduate (or bachelor's) degree students take classes in General Education before focusing on classes from their chosen major. A bachelor's degree typically takes 4 years to complete.

General Education Requirements

Not everyone who applies to a university knows exactly what they want to study or has a career goal in mind. That is why in the U.S., bachelor's degrees include a wide variety of courses, called General Studies or General Education. The purpose of these required General Education classes is to provide you with broad knowledge and to prepare you to be an engaged and informed citizen.

During your first and second years, you will take a variety of General Education courses giving you a chance to find out what you do and do not like. It also means that by the end of your second year, you will have a clearer idea about what your strengths and interests are. And so, you will be much better placed to choose a major that you will be happy with.

This mix of general and specialist knowledge is a unique feature of the U.S. educational system, and is a key advantage of choosing a U.S. bachelor's degree.

Your Study Plan

Our program teaches you the skills needed to be successful: think critically, conduct research, and communicate effectively. With our program you will benefit from the additional support courses designed to match your academic course work, giving you the tools you will need to master your studies completely.

WHAT YOU MIGHT STUDY

SEMESTER 1

ACADEMIC CLASSES	CREDITS
College Writing	3
English for Academic Purposes	2
U.S. History to 1865	3
Introduction to Communication	3
Art Appreciation for non-majors	3
TOTAL CREDITS	14

ADDITIONAL SUPPORT

- English for Academic Purposes
- English for Specific Purposes
- University Success Seminar

SEMESTER 2

ACADEMIC CLASSES	CREDITS
English for Academic Purposes	1
College Writing 2 or Technical Writing	3
U.S. History from 1865	3
U.S. and Texas Government	3
Math	3
Major Course	3
TOTAL CREDITS	16

ADDITIONAL SUPPORT

- English for Academic Purposes
- English for Specific Purposes
- University Success Seminar

The U.S. education system is different from most, and General Education classes are a new concept to most people not from the United States. Think of them as core classes that everyone must take regardless of their chosen major. Getting them out of the way during Year 1 will allow you to focus on your major classes during years 2 through 4.

Program Details

Ask your counselor if you qualify for a scholarship!

Length of Program:	2 semesters
English Level:	5.0 IELTS, 55 TOEFL
Academic Requirements:	Admission is subject to good grades.
Minimum Age:	17 (If you are under 18, your parent or guardian must sign a housing guarantee)
Hours per week:	Up to 29
Requirements for Progression:	You will need to meet the academic grades and conditions of your chosen major
Start Dates:	August 11, 2018 January 23, 2019 (Dates are subject to change)

PROGRAM FEES*	ANNUAL FEES (2 SEMESTERS)
Tuition	\$24,990
Housing & Dining	\$9,760
Other Required Fees (including health insurance)+	\$6,150

*At time of printing, these fees reflect the 2018-2019 fees. For the most up-to-date fee details, please check the **ONCAMPUS** Texas website. Tuition fees include up to 30 credits and extra support classes as noted on page 25. All programs are subject to a \$300 non-refundable registration fee and a \$2,200 refundable deposit.

+Health insurance fees are estimated and subject to change.

Next Steps

1 APPLY

Please complete the **ONCAMPUS** Texas Application Form and send it to our Admissions team, along with electronic copies of the following:

- Academic Transcripts (and certified translations, if your transcripts are not in English)
- Copy of your passport information page
- Evidence of English language level

2 RECEIVE OFFER

Within two working days, you will receive a response of: (1) a conditional offer, (2) a request for more information, or (3) a notification that the application is under further review. Conditional offers will note any required documents that are missing.

- Send the completed Previous Study in the U.S. form and a copy of any previous or current visas and I-20 documents electronically to Admissions*
- Collect proof of funds as detailed in the Financial Declaration, with any other required forms and send electronically to Admissions.
- Fulfill any remaining conditions noted on your conditional offer letter.
- Pay the registration fee (\$300) and the deposit (\$2,200).

*These forms are required, and an acceptance letter will not be issued unless they are completed.

3 ACCEPTANCE LETTER AND I-20

- Once you meet all of the conditions of acceptance, a draft Acceptance Letter will be issued within two working days.
- Review the draft Acceptance Letter to make sure all information is correct and confirm the shipping address to which the original I-20 document should be sent.
- Once you have sent any amendments to the Acceptance Letter to the Admissions team, or the Acceptance Letter is confirmed as accurate with them, you will be emailed an electronic copy of the I-20 within one week, which will be followed by the original document in the mail.

4 F-1 STUDENT VISA APPLICATION

- Once you have received an electronic copy of your I-20, arrange for a visa appointment at your local U.S. Embassy or Consulate and collect all of the required documents.
- Follow the instructions from your local U.S. Embassy or Consulate website to start your visa application.
- You should be sure that you are prepared to answer questions relating to your chosen study program in the USA, your own educational background, your career intentions, and your reason(s) for choosing this particular course of study.

5 PREPARE FOR ARRIVAL AT UNIVERSITY OF NORTH TEXAS

- A pre-arrival handbook, which includes important information for your course of study, and medical forms, will be sent along with the electronic copy of the I-20, and will help prepare you for your arrival in Texas.
- You will also receive a housing form that must be completed and sent back to the program staff.
- You must give arrival details to Admissions and should arrive by the day before the program starts.

You can also complete the application online at www.oncampus.global

Email: admissions@oncampus.global

Preparing for your student visa interview

Should your application be successful and you are admitted to our program, your next step will be to apply for a student visa. As part of your visa application process, you will likely have to attend an in-person visa interview. Below are some tips on how to prepare for this.

Please note: We cannot guarantee a successful outcome to your visa interview. These tips are only meant to advise you on what you can expect during your visa interview.

Do attend: Failure to attend the interview may result in automatic refusal of your application.

Do answer: Always answer all questions fully and honestly.

Do think: Think in advance about your program, the documents you provided in your visa application, and your intended course of study. The Visa Official wants to know that you have given your course of study serious thought before choosing it.

Do speak English: The Visa Official will likely check your level of English, so always answer in English, not via an interpreter. Practice answers to potential questions, and be prepared for them.

Do ask: Ask for clarification if you do not understand a question, to make sure you are providing the information they want.

Documents to bring: Check the documents required by your specific embassy at: www.usembassy.gov

In general, students are asked to provide the following documentation:

- 1 Original I-20
- 2 Proof of payment of SEVIS fee
- 3 Completed DS-160 form (non-immigrant visa application)
- 4 Acceptance letter
- 5 Passport
- 6 Academic transcripts (with translations)
- 7 Financial evidence used for the I-20
- 8 Passport-sized photograph

HERE ARE TIPS FOR SOME OF THE TYPES OF QUESTIONS YOU MAY BE ASKED:

Type of question: General Information about you, your education, your choice to study in the U.S.

Tip: Show that you are a genuine student looking to further your education. Make it clear that you plan to return to your home country after graduation. Give reasons for returning that are stronger than your reasons for remaining in the USA.

Type of question: Intended Course: what you plan to study at ONCAMPUS Texas, course dates, and program details.

Tip: Become familiar with the information on our website and/or brochure.

Bring a brochure with you to show the visa official.

Explain why you want to attend your particular program for study. If the consulate official believes you want to remain in the USA after your program, you may not receive a visa.

Explain how studying in the USA relates to your future professional career in your home country.

Type of question: Financial circumstances: Who will be paying for your course? What are the fees?

Tip: Bring all required financial documents and anything else you have that supports your financial status.

If you have been awarded a scholarship, bring a certificate or proof of your award.

Type of question: Living in America: Where the school is located, and housing.

Tip: Bring your housing confirmation.

Learn about our location and clearly describe where the school is located within Texas

Application Form

Apply ONLINE at www.oncampus.global/apply or return this form to:
 Admissions Office, ONCAMPUS, 38 Chauncy Street, Boston, MA 02111, USA
 Tel: +1.617.453.7710 Email: admissions@oncampus.global

Incomplete application forms, submitted without ALL of the supporting documents, will delay the decision process.

1. Personal details (must be completed)

Title (Mr/Mrs/Miss/Ms etc)
