# Housing

URI houses just over 6,000 students in 21 residence halls and 3 apartment complexes. First year students typically live in a traditional corridor-style residence hall with shared rooms and gender-specific bathrooms. These halls are clustered around the campus quad, in what collectively comprises URI's "Freshman Village". They are conveniently located near the library, dining halls, student union, and classroom buildings. Most of the halls include community spaces, laundry facilities, and quiet study rooms.

Most freshmen live in double or triple rooms (1 – 2 roommates). On-campus housing is required for **ON-CAMPUS** Rhode Island students.

Rooms are generally equipped with twin extra-long beds and mattresses, a desk and chair, a wardrobe or closet, and a bureau. Students may choose to rent a small refrigerator and microwave oven through the [URI bookstore](#) (cost is \$215 per academic year). # Things to Bring with You

## Clothes

Kingston, Rhode Island has all four seasons and can go from humid and very warm in the summer to very cold and snowy in the winter. To make your travel time easier, pack for the season during which you will arrive and have a friend or family member mail a pre-packed box for the next seasons. You can easily purchase more clothes once you've settled in and learn what you will need.

## Weather.com's Average Temperatures for Kingston, RI:

### Carry-On Luggage

It is a good idea to have an extra set of clothes and basic toiletries in your carry on, just in case your luggage gets lost. Fragile/expensive/technology items should go in your carry-on luggage. Remember to follow airport guidelines as your liquids cannot be over 100ml.

### Money

It is a good idea to exchange a small amount of money into U.S. dollars for spending during the first few days. We recommend about \$200. Internationally accepted credit cards will be helpful also. The [Rhode Island Credit Union](#) has a bank branch right on campus in the Memorial Student Union.

## Important Documents

- Bring the following documents in your carry-on luggage:
- Official I-20 form
- Your passport (valid for at least six months beyond the date of admission)
- Your valid F-1 visa in your passport
- Copy of SEVIS fee receipt
- Address and telephone numbers of the **ONCAMPUS** office and staff
- Official transcripts and proof of English proficiency (IELTS, TOEFL)

*Tip: Make copies of all important documents.*

## Mail

Union Express is the student mailroom operated by Housing and Residential Life for students living in the residence halls. It is located in the Memorial Student Union on the lower level. Visit the [Union Express Mail Room website](#) for hours of operation.

Residents are requested to have all mail addressed using the format below:

### Full Name

### Union Express

### 50 Lower College Rd. Unit XXXX

*(you will receive your unit number when you arrive to campus)*

### Kingston, RI 02881

When a package arrives for you, you will receive an email from Union Express and you must go to pick it up when they are open.

## Personal Toiletries

If there is a particular soap, toothpaste or other grooming product you prefer, you should bring some until you can find an equivalent here.

## Books

You might want to bring textbooks and dictionaries that you use frequently to help you with your studies. However, many books can be found here at the campus bookstore, the library, or purchased online and shipped to you. Your courses will require certain textbooks. These can be purchased once you arrive on campus. Textbook costs are in addition to the cost of tuition.

### *Power Adapter*

The electricity supply in the U.S. is 120v, so you may need to purchase an adapter for your electronics.

## Personal Medications

If you are taking any type of medication, make sure it is approved and legal in the United States and then bring enough to last you until you can see a doctor at Health Services for a new prescription. There is a pharmacy service for most medication at the Health Services building, as well as a CVS nearby.

## Telephone

There are a number of mobile phone providers in the Kingston, RI area. The closest are Sprint and Verizon. If you plan to contract a mobile phone when you arrive in the U.S., please visit their websites to learn more about their services and pricing.

## Pictures/Mementos

Consider bringing pictures of your family, friends, pets, neighborhood, etc. Sometimes being away from home for months can be quite hard. Having something that reminds you of your home and the people you love can help you feel better during the days when you miss the people you care about.

## Laptop Computers

You may bring your laptop computer with you or choose to buy one when you arrive in the US. It is quite easy to purchase a computer in the US. The [Ram Computer Store](#) in the Memorial Student Union has many options and equipment that best meets the specifications of URI's programs of study.

# Additional Information

## U.S. Bank Accounts

The Rhode Island Credit Union has a bank branch right on campus in the Memorial Student Union. In addition, there are other banks in the area, including Citizens Bank and Bank of America.

## Sales Tax

- RI sales tax is 7 % on most purchases.
- There is no sales tax on clothing (articles less than \$175) or groceries.

## Tipping

- In the United States, you should leave a 15-20% tip for service in a restaurant. A 15% tip indicates acceptable service, and a 20% tip indicates good service. Servers generally earn less than minimum wage and depend on tips for their income.
- If you buy your food at a counter (e.g. at a fast-food restaurant or a café), you do not have to leave a tip. You might see a tip jar where you can leave some coins for excellent service, but it is not required.
- For other services, such as taxi service or hair styling, 15% tip is about average.
- When you are travelling, a standard tip for the person helping you with your luggage is \$1 a bag, and the standard for housekeeping is \$3-\$5 and more for longer stays.

## Worship and Pastoral Care

The URI Chaplains Association is a group of religious professionals at the University of Rhode Island, who, in addition to serving their own faith communities, work together to foster dialogue, understanding and respect among people of different faiths and traditions. Residents with a freshman resident parking permit must park in the areas indicated on the URI Parking Map and on URI Parking Signs posted at each campus parking lot. Overnight parking is only allowed in these areas, which are generally far from the freshman residence halls.
