

Biometric Residence Permit (BRP) Collection

When your visa application is successful and if your course duration is longer than 6 months, you will be issued with a 30-day Entry Clearance Vignette in your passport, which enables you to enter the UK. The actual visa – Biometric Residence Permit (BRP) – needs to be collected upon your arrival in the UK either from the **ONCAMPUS** centre or Post Office.

How to ensure your BRP is delivered to the ONCAMPUS centre when you apply for your visa:

In order for the BRP card to be delivered to your study location, you must enter a special code, called ACL code, on your visa application (in the Section “BRP Collection Location”, www.visa4uk.fco.gov.uk). The ACL Code is written on your CAS statement.

Biometric Residence Permit (BRP) Collection

If you are granted leave to enter the UK for over six months, you will be given a BRP as proof of your leave and conditions of stay. You can read more about the BRP here <https://www.gov.uk/biometric-residence-permits>.

If you enter a UK postcode you will be assigned to a Post Office. If neither your Sponsor Address Postcode nor Residential Address Postcode gives you a suitable Post Office branch, you may enter another UK postcode in the “Alternative Location” field.

You can find details of the location and opening hours of any Post Office branch here: <http://www.postoffice.co.uk>

If your sponsor offers collection from their own site, rather than the Post Office, they will have told you to use an **ACL code**. Please enter that code in the “Alternative Location” field. Your sponsor will tell you about the opening hours of their collection point.

If you are applying to enter a Crown Dependency (Jersey, Guernsey or the Isle of Man) you will not be given a BRP and will not need to visit a Post Office branch. If this applies to you, please enter SW1H 0AX in the “Alternative Location” field.
