ATTENDANCE

General rules

Attendance at all classes and examinations is compulsory. We expect 100% attendance and commitment from all students. You are required to attend Monday to Friday from the first day of the term until the last day, including any examination and resit weeks.

If you do not maintain an attendance level of above 90%, you will have disciplinary action taken against you and in severe cases this can result in exclusion from your examination or termination of your programme of study.

If you encounter problems of any nature, which prevent you from attending classes, you must inform the Attendance Officer as soon as possible.

Lateness

If you arrive after the scheduled start of the class you may be marked as “Late” or not permitted entry for your class.

Religious/Cultural Holidays

As a multicultural education centre, ONCAMPUS has respect for all faiths. We may authorise one day’s absence for religious holidays at the discretion of the Centre Director.

Planned Absence

If you know about your absence in advance, for example if you have a doctor/dentist/embassy appointment, you must submit “Absence Request Form” along with evidence of your appointment (appointment card or medical certificate). This form would need to be authorised and signed off before your absence takes place.

Illness

If you are ill, you MUST contact us on the morning of your absence. Please phone 02477655454 or email coventry-attendance@oncampus.global

You can self-certify your sickness for up to 2 consecutive days. After 2 days you must provide a sick note from a Registered Medical Practitioner. To find your nearest NHS doctor, use the link www.nhs.uk/service-search

YOUR RESPONSIBILITIES

Your responsibilities as an ONCAMPUS student

As an education provider holding a Tier 4 licence, ONCAMPUS is legally required to ensure Tier 4 students understand and comply with the conditions of their visa. You may be on a Short-Term Study visa or have the permission to study as a European Citizen or as a dependant / parent / spouse. As a student, you still have responsibilities relating to regular attendance on your course, and will be monitored in the same way as students under Tier 4 visas.

You are required to follow the below rules:

• Enrol at the right time on your programme at ONCAMPUS as stated on your offer letter, and return on the first day at the start of each term. If you are on a Tier 4 Student visa and you have not enrolled by the stated enrolment deadline, ONCAMPUS are obliged to report this to the UK Visas and Immigration (UKVI).
• Inform ONCAMPUS of any letters and/or e-mails or other messages you receive from the Home Office and/or UKVI.
• If you arrive with evidence of pending visa application, you must inform ONCAMPUS of any correspondence you receive from the UKVI.
• If you do not attend your course regularly, ONCAMPUS is also obliged to inform the UKVI if a Tier 4 student chooses to withdraw from their course, defer or suspend.

Penalties

Penalties for failing to comply with the above may be severe and long lasting. They may include your removal from the UK and/or your exclusion from the UK for a number of years.

• You must keep ONCAMPUS informed of any changes to your contact details throughout your studies with us (phone number, email address, postal address).
• If any of your contact information has changed, you will need to complete the “Change of Contact Details” form, which is available in our office.
• You must not breach the work conditions of your visa. None of the Tier 4/Short-Term Study students enrolled on ONCAMPUS courses are permitted to work.
• You must inform ONCAMPUS immediately of any changes in your personal circumstances (change of visa, marriage/civil partnership, birth of a child in the UK, change in dependent circumstances etc.).
STUDENT SUPPORT
AND ADVICE

TheHub
TheHub really is the centre of student campus life - the place to gather, meet friends, have a coffee at Costa Coffee, or a meal in the fantastic food court where you can get world cuisine, pizza and pasta, deli, and food-to-go. The Costcutter convenience store is good for essential shopping, and the Students’ Union and Square One provide excellent entertainment from quiz nights to live music. It is all in one place — TheHub.

The Hub is also home to:

The Health and Wellbeing Centre
This is where the Medical Centre is located, if you need to see a doctor or if you have any health issues.

The Spirituality and Faith Centre
A quiet oasis amidst the hectic pace of student life. Here there are quiet spaces for reflection and meditation, a non-denominational chapel, Muslim prayer rooms with ablutions, and a spiritually focused social space for students and groups to meet. You can also arrange to talk to any of the University’s multi-faith chaplains at the Spirituality and Faith Centre.

The Future Works Office
This is where you can discuss your future career path and talk about the broad range of extracurricular modules to help you achieve your dreams. It is a facility dedicated to helping you develop a career plan and enhance your career prospects.

Students’ Union advice centre
The first point of contact for advocacy support and advice on a range of issues. The Students’ Union is here to help and support students, and you can talk to them about almost any student issues.

Disability
For the purpose of this statement, disability is defined as: “A physical or mental impairment with substantial and long term adverse effect on normal day to day activities.”

The Health and Wellbeing Centre, located in TheHub at Coventry University, also houses the Disabilities Office and has a team of staff who can provide advice and support on a range of issues that you may need help with. You can contact the team at disoff.ssi@coventry.ac.uk

Taxi transfers
When you are ready to go home, you can book a taxi to pick you up from the campus and drop you off at the airport. Please contact us at: liveincoventry@oncampus.global if you would like to make a taxi booking. Our Student Arrivals Coordinator will be pleased to make the booking on your behalf and send you the confirmation. Our trusted drivers will meet you at the campus and take you straight to your destination. You can pay for your taxi in advance whilst you are still in college, so you will not need to have cash ready for the driver.
Making international calls
Keeping in touch with your family and friends at home is important. You should make sure that you have a way of communicating with them regularly. Today’s technology makes this very easy. Your options include using the internet, international dialling cards and mobile phones. The option that works best for you will depend on your individual circumstances and you should look at which method is the most cost effective and practical.

Internet
Software such as Skype allows you to call landlines, mobile phones and other Skype users over the internet. Calls between Skype users are free of charge. Call rates from a Skype user to a landline and mobile phone vary, depending on country.

International calling cards
You can buy cards from a number of places including grocery stores and the Post Office. Again, rates differ based on which country you are calling and whether you are dialling a landline or mobile phone. The Post Office phone card features monthly offers (e.g. free calls on Saturdays to particular countries). See their website for further information.

Culture Shock
Leaving home and travelling to study in a new country can be a stressful experience. Even though it may be something you have planned and prepared for, the extent of the change and the effects it has on you may take you by surprise. If you find that you are surprised by the effects of the change, it might be helpful to realise that your experience is quite normal. This applies whatever country you come from, and wherever you are going to study, even though some cultures are more similar than others because of geographic, historic, demographic and other factors.

Culture shock is entirely normal, usually unavoidable and not a sign that you have made a mistake or that you won’t manage. In fact there are very positive aspects of culture shock. The experience can be a significant learning experience, making you more aware of aspects of your own culture as well as the new culture you have entered. It will give you valuable skills that will serve you in many ways now and in the future, and which will be part of the benefit of an international education. If you would like to talk to someone then contact your personal tutor, ONCAMPUS student support staff, accommodation halls officers or the student support services at Coventry.

Gifts for staff
Please do not embarrass your tutor or any Centre staff member by offering expensive gifts, as they cannot accept gifts of more than a modest nature.
CLUBS AND SOCIETIES

Coventry University Student Union sports and societies (CUSU)

Looking to join a sports team or one of the many and varied societies through CUSU? CUSU has more than 130 sports clubs and societies, varying from football, film and netball through to groups you might not expect to find at Coventry University such as a polo team or medieval and chocolate appreciation societies.

www.cusu.org

Students from each course are nominated by their teachers to represent the views of students at the Staff-Student Liaison Committees. These meetings happen once a term and are designed to improve the management and enhancement of their programmes of study.

Staff and students consult each other on all aspects of their learning experience and future developments.

Students will communicate with their peers on their courses and attend meetings to discuss this feedback in Centre and then with the other student representatives nationally once a term.

It is a chance to really make a difference, to improve your student experience.

**Fees can be paid via the following methods:**

**International bank transfer**

ONCAMPUS has partnered with flywire as a fast and easy way to make international payments. This is the best way to send funds from overseas. By using flywire you can be sure that your funds arrive on time and that ONCAMPUS will always receive the correct amount.

Payment by this method also means you do not have to pay any bank charges, which can be expensive; with flywire the rates are clear so you can always be sure about the total cost of the transaction.

Over 40 currencies are available and they offer competitive foreign exchange rates. If you need help, they are always contactable. Please be aware that the process may still involve making a transfer through your bank.

**Direct transfer of funds**

Please see your pre-arrival information packs for bank account details.

An additional GBP12 must be transferred with the fees to cover bank charges.

**Important:** A payment reference must be provided so that the College can identify funds on safe arrival into our account. This must be the student reference number as stated on your offer document. This reference means that we can then allocate the funds against your invoice accordingly. Failure to include a reference may mean we have to contact you again to establish proof of payment.

---

**Credit card (including Visa/Mastercard) or debit card**

We do not accept American Express.

The following information is required:

- card number
- expiry date
- three-digit security code (from the signature strip on the back of the card).

To make a payment using this method, please call our Finance team on +44 (0)1223 447794
PAYING YOUR FEES ... CONTINUED

Sponsors

If your employer or government sponsors your study, we will require a letter from them confirming the following details:

• your name and course
• the amount of fees they will be paying (for example, 100%)
• the contact name, company name, telephone number and address where we should send the invoice.

Please note: student sponsor invoices will be payable in full within 30 days of receipt of invoice. If your sponsor does not make payment, you will be personally liable to pay the full amount of tuition fees.

Refunds

Acceptance of an ONCAMPUS offer on payment of the minimum stated deposit constitutes a binding contract between the student and ONCAMPUS. Tuition fees are non-refundable after the course has begun except in the case of visa refusal. For full details, please refer to the ONCAMPUS Terms and Conditions in your offer pack.

Any notice to withdraw or cancel must be made in writing. If the cancellation is received before the start of term we will charge the forthcoming term’s tuition fees. If the cancellation is made after the start of term then we will charge both the current term’s and the following term’s tuition fees.

Any students withdrawing from an ONCAMPUS programme of study will be reported to the UK Visas and Immigration and the British Embassy/High Commission in their home country as a curtailment of their programme. ONCAMPUS reserves the right to withdraw a previously available programme of study at its own discretion. Where a student is unable to enrol in a similar course at ONCAMPUS and the enrolment is cancelled then all fees will be refunded.

If you are living in non-university accommodation and receive a letter from the Council asking you to pay council tax, please provide them with the confirmation letter you received at the time of enrolment. The confirmation letter will show your current term-time address so please make sure you keep your contact information up to date at all times. Please also remember to request a new confirmation letter if you move house.

To qualify for a student discount/exemption:

1. You have to be enrolled as a full-time student.
2. You should be able to prove it (by means of the letter explained above). It is important that you keep this letter for the duration of one academic year of study. Replacements for lost or incorrect letters due to change address during term time are available from reception free of charge.
3. Your course must be full time.
4. Your course must last for a minimum of 24 weeks during the academic year.
5. You have to live with other people who are also exempted from payment (usually other students).

If a house or property is occupied entirely by full-time registered students then the entire household is exempted from Council Tax. This includes the halls of residence and University-owned student houses, which are occupied entirely by students. It also applies to private accommodation which is occupied entirely by students. Houses with one or more non-student residents will have to pay Council Tax (at least 75%).

Please remember that payment of Council Tax is a matter between individuals and the Local Authority. Except in certain circumstances (for example by issuing a Student Confirmation of Enrolment letter) ONCAMPUS has no responsibility in these matters.

Financial issues

Students are responsible for managing their own budgets and for some this presents a problem. If you encounter any problems please contact the ONCAMPUS Coventry reception desk as soon as possible.
