

Loot is a free UK current account which takes five minutes to open. Loot has partnered with your school so you can create a current account and add money or pay bills before you arrive in the UK. You will be given a sort code, a unique account number, and a Loot Mastercard® card, which you can pick up when you arrive in the UK from a set address at your school (you will receive an email confirmation as your account is created).

- Spend abroad without paying additional fees - you can use your card at home!
- Pause/ unpause your account - if you ever lose your card
- Access your account via mobile or web app
- Dedicated customer support- a helping hand when you get stuck

How Do I Add Money?

There are 3 ways to add money to your account; Overseas Payment Request, Bank Transfer or via a Debit Card. To receive money from another country, you will need to follow these steps via your iOS app, Android app or via desktop (app.loot.io/login).

1. Select the plus icon next to your available balance

Overseas Payment Request
Unlimited Uses

2. Select Overseas Payment Request

3. Select the amount you are requesting in GBP and click Request

4. Share your link with the person or organisation sending you the money from another country

Using the link you sent, the sender will access the secure payment portal:

5. Select the currency/ country they are in

6. Enter the amount to send - choose from over 200 currencies

7. They must make a payment within 3 days to guarantee the rate given

8. The payment reference must be included so we can find the payment quickly

9. As soon as we receive the payment it will be credited to your Loot account

Alternatively, you can add money to your Loot account via Bank Transfer or Debit Card
