We know international students have different needs from those already in the UK, so that’s why we’ve designed a comprehensive student support system that ensures you feel supported every step of the way.

We will help you to settle into London life and give you advice on tasks such as opening a bank account, travelling around the city and registering with the police if you need to.

**Before you arrive**

Once you’ve confirmed your place at ONCAMPUS, we’ll help with a whole host of things such as visas, what to expect on arrival in the UK, insurance and how to get to the centre. We’ll provide information on accommodation, finance and things to bring with you, from essential forms and certificates to advice on extra clothes for winter!

**Induction**

Induction at ONCAMPUS is one of the most important aspects in helping you to settle in. You will meet key staff, have an academic interview to talk about your programme, meet new people and have a tour of the campus.

**Throughout the year**

Our support before you arrive is just the beginning. Not only do you have access to all the standard things you’d expect – your own personal tutor, tutor groups and our online academic platforms (such as Moodle) – you’ll also find the following:

**Academic support:**

We’ll make sure you stay on track with your study plan, meeting any targets and setting up additional academic support if you need it.

**University integration:**

There is plenty of activity to make you feel part of the university from day one. Taster lectures, experience days, campus tours and the ability to join sports and social groups are just a few.

**Monthly activity calendars:**

We have lots of exciting organised activities, published every month, for you to join in with as little or as much as you like.

**Resources available:**

- Moodle
- Discussions
- Feedback
- Application support sessions

Under British Law, anyone under 18 is legally classed as a child and such students often have different needs for welfare and support. ONCAMPUS provides a range of extra tailored services covered by the under-18s supplementary fee, which is automatically added to the student’s account. Students have access to experienced welfare personnel who provide both academic and emotional support before and after arrival, as well as an independent guardian from the professionally-accredited College Guardians initiative.

For more information about the Under 18 Supplement visit www.oncampus.global/about-us

**Taxi service when you arrive**

Our trusted drivers will meet you at the arrivals gate at the airport and take you straight to your accommodation. To make a booking, please contact us at liveinlondon@oncampus.global or visit www.oncampus.global/london to download a form to complete.
