"I really like the course. It covers all the subjects I need, and after each term, I feel I have the right knowledge. The teachers are helpful too. Students have access to experienced welfare personnel who provide both academic and emotional support before and after arrival, as well as an independent guardian from the professionally-accredited College Guardian initiative.

Additional documentation may be required depending on the course. Our admissions team will contact you should this be the case.

If we think the course is not right for you, we will suggest an alternative. If we have any queries about your application, we will contact you for further information.

3 To accept your place on the course, you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. We can only confirm your place once all conditions have been met, although once the deposit is paid we will hold a place for you.

Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of ONCAMPUS. Your assistance in meeting these requirements is much appreciated.

Please note a CAS can only be issued up to six months before the start of the course (if you apply from outside the UK) or up to three months (if you are eligible to apply from within the UK).

5 You will then need to apply for a visa if you require one to study in the UK. It is your responsibility to obtain a visa before you travel to join the course.

If you do not have a valid visa for studies in the UK, you will not be able to join the course.
