Routes to medicine

Medicine is one of the most competitive courses in the UK. Academic entry criteria are high and the interview process can be challenging but, every year, thousands of international students are accepted into medical school. **ONCAMPUS** UK North offers a number of routes to medicine through our host partner UCLan and with the Royal College of Surgeons in Ireland (RCSI), St. George's University in Grenada (SGU) and the University of Nicosia in Cyprus (UNIC).

Timelines for submission of medicine application documents vary according to individual institutions, and the table below should be used as a guide. **ONCAMPUS** UK North will support all students with their applications to medicine.

Preparing for a medicine degree

Do you have:

- 11-12 years of schooling?
- an IELTS score of 6.0 or more?
- the motivation and commitment to succeed?
- the ambition to graduate from a top medical school?

ONCAMPUS gives you...

Outstanding teaching and support

Through every step of your journey with us, you will be supported by highly qualified teachers and support staff, both in and outside the classroom.

Your personal tutor will meet with you regularly to ensure you are on track to pass the programme and progress to your chosen degree.

Your personal tutor is also there to help you with any issues you might have inside or outside the classroom.

A proven track record of success

ONCAMPUS is part of Cambridge Education Group, one of the UK's leading university pathway providers since 1952.

Cambridge Education Group was the first private institution to offer university foundation programmes in the UK in 1985, and successfully prepares thousands of students for the UK's top universities every year.

Part of the University from day one

The **ONCAMPUS UK North** centre is located at the heart of UCLan, close to all the University's facilities.

You will receive a University student card, and with it you will have access to all the University's facilities, clubs and societies while you study your **ONCAMPUS** programme.

You will meet your course leader at the University before you start your degree, and have the opportunity to try out some of the excellent facilities.

Quality assured

ONCAMPUS UK North is reviewed regularly by the Quality Assurance Agency (QAA), which is responsible for maintaining standards across the UK university system..

Student Support Wellbeing

At **ONCAMPUS** we believe looking after your mental health and emotional wellbeing is vitally important, in order to be successful in the classroom and beyond.

Focus

Navigate your schedule, workload & deadlines. Keep an open mind and prepare to participate and collaborate.

Learn

Learning is a huge part of your **ONCAMPUS** experience, from the skills you develop in the classroom to the cultures you'll discover in a new place.

Rest

Making sure you get enough rest will help you settle into your new home and allow you to study to the best of your abilities.

Eat

To keep you alert, remind you of home or discover something new!

Explore

Walking, running and cycling are all great ways to figure out the scale and pace of any new location.

Relax

Discover local hot-spots and quiet little book nooks. Block out useful periods of time to simply down tools and move slowly.

Exercise

Feed your mind, get involved in university life and make new friends.

Communicate

Good relationships with those around you will help to build a sense of belonging.

Friends and family

Establish a group chat that's exclusively aimed at open communication with those you trust the most.

Fresh start

Build a support network with your new classmates and celebrate positive experiences.

We're here to support you however we can. Take a look at some of these useful links and learn more at oncampus.global

Next Steps

1 Submit your application by one of the following methods:

- Online: www.oncampus.global
- Email: admissions@oncampus.global

Please remember to include all relevant documentation:

- Academic transcripts (with official translations, if not originally in English)
- Evidence of English Language level
- Copy of passport
- Explanation of any study gaps
- Copies of any previous/current UK visas

Additional documentation may be required depending on the course. Our Admissions team will contact you should this be the case.

2 Our Central Admissions team will review your application.

We will send you an offer letter which will list any outstanding conditions. We will remove any conditions that have already been met.

If we think the course is not right for you, we will suggest an alternative.

If we have any queries about your application, we will contact you for further information.

3 To accept your place on the course, you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. We can only confirm your place once all conditions have been met, although once the deposit is paid, we will hold a place for you.

Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of ONCAMPUS. Your assistance in meeting these requirements is much appreciated.

4 Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a Confirmation of Acceptance for Studies (CAS) or a Certificate of Enrolment (CoE) depending on the type of visa you require. If you need to obtain a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be issued up to six months before the start of the course (if you apply from outside the UK) or up to three months (if you are eligible to apply from within the UK).

5 You will then need to apply for a visa if you require one to study in the UK. It is your responsibility to obtain a visa before you travel to join the course.

If you do not have a valid visa for studies in the UK, you will not be able to join the course. You are required to pay at least the 1st term's tuition fees before you begin your studies at ONCAMPUS. You should arrive on the weekend before the start date of the course. Please check your CAS or CoE for further details.

6 We will send you pre-arrival information.

You will need to apply online for your accommodation. Please contact liveinuclan@oncampus.global.

Manchester is the closest international airport to ONCAMPUS UK North. There are various routes you can take to transfer to the accommodation from the airport – by train, bus or taxi. Visit our website for further information.
