ONCAMPUS HULL

UNIVERSITY OF HULL

ONCAMPUS is proud to work in partnership with the University of Hull to offer high-quality university preparation programmes for international students on the University campus.

The University of Hull is one of the oldest universities in England. It has a long and distinguished tradition of providing first-class education and rewarding life experiences to students from all over the world.

Hull is a campus university, which blends the traditional with the innovative. This means you can experience life on a green and leafy 125-acre campus, complete with beautiful old buildings, while taking advantage of a cutting-edge academic environment that embraces technology, social connectivity and a global outlook. This blend gives the University of Hull a unique atmosphere.

This bustling city is a stone's throw away from some of Britain's loveliest countryside as well as expansive coastlines, offering the best of all worlds.

2.5 hours

to **London** by train

as well as great train links to other UK cities such as Leeds, York, Manchester, Sheffield, Liverpool and many more...

Hull is one of the least expensive cities

in the north of the UK, making
your money go further

University Highlights

The University of Hull rose 19 places in the Guardian University Guide 2022 rankings and 8 places in the Times Good University Guide 2022, published in September 2021. The Guardian ranking saw the University singled out as one of the biggest risers in the UK over the past 3 years.

Among the universities in the Yorkshire and Humber region, the University of Hull is now ranked 4th by both the Times Good University Guide 2022 and Guardian University Guide 2022.

Nine subjects at the University are ranked in the

Top 10

in the UK for overall **student satisfaction**

National Student Survey 2021

£300 million investment

in high quality teaching and learning facilities, IT infrastructure, research laboratories, social spaces and sporting facilities

Official Team GB Partner

offering students opportunities for joint research and enterprise projects, in support of Team GB up until 2024

World Changing Discoveries

Bone Density Scanner and LCD technology were discovered at Hull University.

100 discoveries by British Universities UK

81%

of students graduate with a First or Upper Second class degree

OVER

2,500

international students from more than

100 countries around the world

97.9%

of international students go into work or further study within six months of graduating

directly in touch with recruiting employers

Founded in

1927

the University of Hull is the 14th oldest university in England

Faculty Highlights

Studying Engineering

The Faculty of Science and Engineering unites leading academics and state-of-the-art facilities, with teaching and research across a broad range of science and engineering areas. The University of Hull's interdisciplinary research centres are confronting some of the biggest challenges facing the world today.

Mechanical Engineering is ranked **10th** for learning opportunities

National Student Survey 2021

59,000

the annual shortfall of engineers and technicians

HESA student record 2018/19' data, 2020

Mechanical Engineering students can take part in **Formula Student** — Europe's most established educational motorsport contest

17th for **Chemical Engineering** Guardian University Guide 2022
Chemical engineering is the second highest-paid profession for new graduates, after dentistry

Studying Business

As a business student, you will benefit from professional accreditation or membership of professional bodies and/or exemptions from professional examinations.

The Business School is proud to hold multiple industry accreditations as well as independent international accreditations such as AACSB, held by less than 5% of the world's 13,000 business programmes.

Studying Politics

Politics — **87%** overall satisfaction **Top 13**

National Student Survey (NSS) 2021, HEIs only

Recent Politics graduates have taken roles as; **Senior Assistant in the Prime Minister's Political Office**
Director of Communications for the Financial Times

Member of Parliament and Head of Political Communications for the Labour Party

Hull offers one of the UK's largest integrated Westminster placement schemes — providing students with access to the corridors of power

Studying Science

Computer Science programmes

provide you with the skills, experience and technical expertise to put you in high demand when it is time to enter the job market.

Computer Science graduates work for the likes of Sony, Microsoft, Electronic Arts, Rockstar Games, Dell and Fujitsu.

Computer courses

at Hull are linked with industry giants such as **Microsoft, Sony** and **EA**.

Specialist areas include computational science, computer gamification, dependable intelligent systems, robotics and AI, and simulation and visualisation — **innovative degrees for post-pandemic careers.**

Take advantage of facilities such as the new **robotics and 3D printing laboratories**

Studying Law

Law has been taught at Hull since 1927

and is highly regarded, both within academia and the legal profession

Experience law in practice, advising real clients with real problems. Over 1,000 people have been helped by students from the regional community

Learn the ropes in the mock law court, enter mooting competitions to hone your skills and engage in client interview practice

Undergraduate degrees you can progress to

Students who meet the specified entry criteria are guaranteed progression at the University of Hull. The Undergraduate Foundation Programme is available with an Integrated CAS option.

Progression to Year 2 of these degrees is available through the International Year One programme, which is offered with an Integrated CAS.

“ There is no question that my economics degree from Hull has served me exceptionally well over the course of my career... ”

...The critical thinking required, the ability to step back and think holistically about solving problems and the rigorous discipline involved in such a classic liberal arts education have been the foundation for my career and success. Hull is very much part of who I am today.”

Muhtar Kent, Former Chairman,
The Coca-Cola Company

How ONCAMPUS Works

Our programmes at **ONCAMPUS** Hull are designed for international students who do not meet the requirements for direct entry to study at the University of Hull. You will benefit from the support we offer in preparing you to progress to the University.

Increase your English language level

- Academic writing skills
- Academic reading skills
- Presentation and discussion skills
- Listening and note taking

Improve academic grades and study skills

- Additional year of study equivalent to 13 years of UK study for undergraduate degree
- Demonstrate academic level to meet university requirements
- Present higher grades in pathway programme than achieved at high school for undergraduate entry
- Learn the study skills essential for success in UK universities
- Additional research study skills for Master's students

Expert university progression support

- Expert guidance on which degree to progress to
- One-to-one support sessions
- Faculty visits and meetings

Progress to university degree

Your route to a degree at the University of Hull

ONCAMPUS Hull offers guaranteed progression* to a wide range of undergraduate and postgraduate degrees at the University of Hull, on successful completion of our Foundation or International Year One programmes.

*subject to meeting the specified entry criteria

ONCAMPUS gives you...

Outstanding teaching and support

Through every step of your journey with us, you will be supported by highly qualified teachers and support staff, both in and outside the classroom.

Your personal tutor will meet with you regularly to ensure you are on track to pass the programme and progress to your chosen degree.

Your personal tutor is also there to help you with any issues you might have inside or outside the classroom.

A proven track record of success

ONCAMPUS is part of Cambridge Education Group, one of the UK's leading university pathway providers since 1952.

Cambridge Education Group was the first private institution to offer university foundation programmes in the UK in 1985, and successfully prepares thousands of students for the UK's top universities every year.

Part of the University from day one

The **ONCAMPUS** centre is located at the heart of the University, close to all of its facilities.

You will receive a University student card, and with it you will have access to all the University's facilities, clubs and societies while you study your **ONCAMPUS** programme.

You will meet your course leader at the University before you start your degree, and have the opportunity to try out some of the excellent facilities.

Quality assured

ONCAMPUS Hull is reviewed regularly by the Quality Assurance Agency (QAA), which is responsible for maintaining standards across the UK university system.

Undergraduate Foundation Programme (UFP)

This programme gives guaranteed progression¹ to Year 1 of a wide range of undergraduate degrees.

Available with Integrated CAS.

Degree progression route

Entry criteria

Guide to Hull, Yorkshire

Hull is a bustling city in Yorkshire that sits on the northern shore of the Humber Estuary. The city is close to some of the UK's most scenic countryside as well as expansive coastlines. The entire city centre has been revamped in recent years, all of which helped it achieve the prestigious 'City of Culture' award.

Hull is also one of the least expensive cities in the UK, meaning your money will go much further when compared to other similar cities in the UK.

Hull Marina

is a peaceful oasis amidst the bustle of the Humber Estuary. With a history that spans over 200 years, the Marina moors up to 260 boats at any one time.

Wide variety of cultural attractions

including a Museum Quarter, Ferens Art Gallery, a Grade II listed park and the deepest Aquarium in Europe.

Just under 1 hour to

York

by train. Famous for its beautiful cathedral, cobbled medieval streets like The Shambles and historic city walls.

Over **50**  restaurants within city centre

including Indian, Thai, Italian and many more...

About student life

Walk or cycle across one of the world's largest single span suspension bridges in the world which spans 2,200 feet or 1.4 miles. 

4 shopping centres within 4 miles of city centre

plus regular local markets, a wide range of independent shops and further large shopping centres at Leeds and Sheffield.

Direct flights to **Europe** 

from nearby Humberside Airport, and a global reach via Amsterdam's Schiphol Airport.

5  cinemas within 5 miles of Hull city centre

including Odeon, Cineworld, Reel, and Vue.

Under **3** miles to **MKM Stadium** 

10 minutes by train or 12 minutes to cycle to the huge sporting venue.

3,500

fish in **The Deep aquarium**

Located in the city centre, The Deep is one of the UK's most spectacular award-winning aquariums.

Student Support Wellbeing

At ONCAMPUS we believe looking after your mental health and emotional wellbeing is vitally important, in order to be successful in the classroom and beyond.

Focus

Navigate your schedule, workload and deadlines. Keep an open mind and prepare to participate and collaborate.

Learn

Learning is a huge part of your ONCAMPUS experience, from the skills you develop in the classroom to the cultures you'll discover in a new place.

Rest

Making sure you get enough rest will help you settle into your new home and allow you to study to the best of your abilities.

Eat

To keep you alert, remind you of home or discover something new!

Explore

Walking, running and cycling are all great ways to figure out the scale and pace of any new location.

Relax

Discover local hot-spots and quiet little book nooks. Block out useful periods of time to simply down tools and move slowly.

Exercise

Feed your mind, get involved in university life and make new friends.

Communicate

Good relationships with those around you will help to build a sense of belonging.

Friends and family

Establish a group chat that's exclusively aimed at open communication with those you trust the most.

Fresh start

Build a support network with your new classmates and celebrate positive experiences.

We're here to support you however we can. Take a look at some of these useful links and learn more at oncampus.global

Next Steps

1 Submit your application by one of the following methods:

- Online: www.oncampus.global
- Email: admissions@oncampus.global

Please remember to include all relevant documentation:

- Academic transcripts (with official translations, if not originally in English)
- Evidence of English Language level
- Copy of passport
- Explanation of any study gaps
- Copies of any previous/current UK visas

Additional documentation may be required depending on the course. Our Admissions team will contact you should this be the case.

2 Our Central Admissions team will review your application.

We will send you an offer letter that will list any outstanding conditions. We will remove any conditions that have already been met.

If we think the course is not right for you, we will suggest an alternative.

If we have any queries about your application, we will contact you for further information.

3 To accept your place on the course, you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. We can only confirm your place once all conditions have been met, although once the deposit is paid, we will hold a place for you.

Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of ONCAMPUS. Your assistance in meeting these requirements is much appreciated.

4 Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a Confirmation of Acceptance for Studies (CAS) or a Certificate of Enrolment (CoE) depending on the type of visa you require. If you need to obtain a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be issued up to six months before the start of the course (if you apply from outside the UK) or up to three months (if you are eligible to apply from within the UK).

5 You will then need to apply for a visa, if you require one, to study in the UK. It is your responsibility to obtain a visa before you travel to join the course.

If you do not have a valid visa for studies in the UK, you will not be able to join the course. You are required to pay at least the first term's tuition fees before you begin your studies at ONCAMPUS. You should arrive on the weekend before the start date of the course; please check your CAS or CoE for further details.

6 We will send you pre-arrival information.

The accommodation application form will be included in the pre-arrival information. You should complete the form, selecting your preferred option, and return it to ONCAMPUS Hull by email to liveinhull@oncampus.global. Humberside, Manchester and Leeds/Bradford are the closest airports to ONCAMPUS Hull. There are various routes that you can take from these airports by train, bus or taxi. Please be advised that public transport is the cheapest option. Please refer to pre-arrival information that we send you for more details.
