2022-2023

Welcome

ONCAMPUS aim to make sure that finding a place to live while you study with us is quick and easy. It is very important that you have a place to stay when you arrive in the UK, and while you can choose to organise your own accommodation, we strongly recommend that all students book a room through our free service.

Booking with us ensures that you will have a safe, comfortable environment, and that you will be housed with other ONCAMPUS students, which is a great opportunity to make friends!

We have two fantastic residences available for you to book, both offering good value for money. We strongly recommend booking early as accommodation places sell out fast. The following pages contain lots of information and at the back of this pack there is a quick summary table. There is also a price list and details on how to reserve a room.

If you have any questions that are not covered in this guide, or you just want some advice, please contact us at liveinaston@oncampus.global and we will be happy to help.

We look forward to welcoming you to ONCAMPUS Aston.
