# Welcome

ONCAMPUS aims to make sure that finding a place to live while you study with us is quick and easy. It is very important that you have a place to stay when you arrive in Sweden, and while you can choose to organise your own accommodation, we strongly recommend that all students book a room through our free service.

Booking with us ensures that you will have a safe, comfortable environment, and that you will be housed with other **ONCAMPUS** students, which is a great opportunity to make friends!

We have a range of room sizes available and prices to suit all budgets. We recommend booking as soon as possible as spaces fill up fast. On the following pages you will find lots of information about the residence and the great facilities it has to offer you during your studies. There is also a step by step process detailing how to complete your booking and a preference form to let us know your primary and secondary choice of room.

If you have any questions that are not covered in this guide, or you just want some advice, please contact us at [liveinlund@oncampus.global](mailto:liveinlund@oncampus.global) and we will be happy to help.

We look forward to welcoming you to **ONCAMPUS Lund Sweden.**
