UCLan Highlights

ONCAMPUS is proud to work in partnership with the University of Central Lancashire (UCLan) to offer high-quality university preparation programmes for international students on the University campus. UCLan has a wide range of scholarships available to students who can demonstrate academic and personal excellence. More details can be found at uclan.ac.uk/scholarships

1828

UCLan has a long academic history which can be traced back to 1828.

Ranked in the top

7%

of all universities worldwide

by the Center for World University Rankings 2021-22

Students on the **MBBS at UCLan** benefit from patient contact in Year 1.

ONCAMPUS students are guaranteed an interview for the MBBS degree*
*subject to meeting the specified entry criteria

UCLan works in partnership with a number of global brands

including **NASA** and the Harvard Smithsonian Astrophysical Observatory

ACCA|CIM|IFE|EI|CIBSE|NCTJ
accredited degree programmes

The brand new Engineering Innovation Centre is a

£35 million

state-of-the-art study facility

UCLan's new £60 million Student Centre and University Square,

opened in September 2021 and is the thriving heart of the Preston Campus. 

3rd

in the UK for overall mental health services

HUMEN University Mental Health League Table 2022

General Pharmaceutical Council

MPharm (Hons) is fully accredited by the General Pharmaceutical Council (GPhC)

Esteemed academics

lead research active roles from Art (Turner Prize Winner and CBE holder Lubaina Himid), Forensics and Policing (Prof. Michael Mulqueen) and Midwifery (Prof. Soo Downe)

Routes to medicine

Medicine is one of the most competitive courses in the UK. Academic entry criteria are high and the interview process can be challenging but, every year, thousands of international students are accepted into medical school. **ONCAMPUS UK North** offers a number of routes to medicine through our host partner UCLan, the Royal College of Surgeons in Ireland (RCSI), St. George's University in Grenada (SGU) and the University of Nicosia in Cyprus (UNIC).

Timelines for submission of medicine application documents vary according to individual institutions, and the table below should be used as a guide. **ONCAMPUS UK North** will support all students with their applications to medicine.

Preparing for a medicine degree

Do you have:

- 11-12 years of schooling including biology and chemistry to year 12?
- an IELTS score of 6.0 or more?
- the motivation and commitment to succeed?
- the ambition to graduate from a top medical school?

TERM 1				TERM 2				TERM 3			
SEPT	OCT	NOV	DEC	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG

Start the Medicine UFP at **ONCAMPUS UK North**

UCLan: Submit your personal statement and transferable skills form

UCLan: Selection Panel will review your personal statement and transferable skills form

UCLan: If you are forecast to meet the entry requirements, you will be issued a conditional offer

UCLan: Take your exams. Exams are held in March

UCLan: English Test. You will take an English test to determine your current level of English

UCLan: MBBS Interview. If you have met the academic requirements, UCLan will interview you for the programme

UCLan: Take your exams. Exams are held in May. Results are declared in June

RCSI: Applications open

RCSI: All supporting documents must be supplied

RCSI: Applicants selected for interview

RCSI: Conditional or full offers are issued. Successful applicants have 21 days to accept their offer

SGU operates a rolling intake. It is recommended to book an individual consultation during this time to discuss the programme and application process. Students should start an application as early as possible during this time for a smooth application journey.

SGU Students who have submitted a full satisfactory application and are on track to meet entry requirements by the end of their programme will be invited to interview following an initial review by SGU's academic board. Conditional offers will be issued within a week of the interview unless a further review is required. Students will be required to pay a deposit to secure their place.

UNIC operates a rolling application process. All applications should be received by mid June of the same year of entry. Applicants are invited to an on-line interview based on actual or predicted grades. Full or conditional offers are issued within two weeks from interview date.

Students joining the Medicine Undergraduate Foundation Programme in January will follow a different timeline.

Our medicine and healthcare partners

Royal College of Surgeons in Ireland

Established in 1784, RCSI is not only the largest medical school in Ireland but also the only specialist health sciences university. RCSI offers alternative progression routes for Medicine Undergraduate Foundation Programme and Life Sciences Undergraduate Foundation Programme students onto Medicine, MPharm and Physiotherapy degrees.

Progression degrees are:

- MB, BCh, BAO (Hons) Medicine (5* and 6 years)
- Master of Pharmacy (MPharm) (5 years)
- BSc Physiotherapy (4 years)

*Medicine Undergraduate Foundation Programme only

RCSI

Ranked in the **top 2%** of universities worldwide

Times Higher Education World University Rankings 2022

€90 million invested in world-class experiential learning facilities since 2017

Located in the heart of **Dublin city centre**, a dynamic European capital city steeped in history

One of the most international medical schools in the world with over **70%** of its undergraduate medicine seats reserved for non-EU students

Our medicine and healthcare partners

St. George's University, Grenada

St. George's University (SGU) has been providing the world with highly trained doctors for more than 45 years. Founded as an independent School of Medicine in 1976, SGU pioneered the concept of international medical education, drawing students and faculty from more than 150 countries. SGU offers pathways to Medicine and Veterinary Medicine from the Medicine Undergraduate Foundation Programme.

St. George's University
Grenada, West Indies

Progression degrees are:

- 5-Year Medical Degree Pathway
- 5-Year Doctor Of Veterinary Medicine (DVM) Programme

Partnership with Northumbria University enables MD students to complete **up to 50%** of the programme in Newcastle upon Tyne, UK

Largest

source of doctors for the entire US workforce*

*According to FSMB physician licensure data, 2021

St. George's University has over **28,000*** graduates in the US and around the world who are part of a strong alumni network. They have established careers in all 50 US states and more than **50 countries** around the world

St. George's University has a large network of **75+** affiliated hospitals and health centres in the US and UK

*Based on the number of students who have completed a degree at St. George's University from 1981-2022.

Our medicine and healthcare partners

University of Nicosia, Cyprus

The University of Nicosia (UNIC) espouses the holistic concept of One Health, which emphasizes the relationship between the health of humans and animals within a healthy, sustainable environment. UNIC Health is dedicated to support the development of Medicine, Veterinary Medicine and Health Sciences of the University of Nicosia.

UNIVERSITY of NICOSIA

Progression degrees are:

- Doctor of Medicine (6 years)
- Doctor of Veterinary Medicine (6 years)

For **Veterinary Medicine** students exposure to animal care starts **early in first year**

Clinical exposure for medical students starts as of **Year 2**. Clinical training sites include leading hospitals in Cyprus, UK, USA, Switzerland and Greece

The Doctor of Medicine and Veterinary Medicine degrees are recognised worldwide. UNIC is listed in the World Directory of Medical Schools and in the UK GMC

UNIC is now ranked within the top **501-600** universities in the world

How ONCAMPUS Works

Our programmes at ONCAMPUS UK North are designed for international students who do not meet the requirements for direct entry to UK universities to study. You will benefit from the support we offer in preparing you to progress to the University.

Increase your English language level

- Academic writing skills
- Academic reading skills
- Presentation and discussion skills
- Listening and note taking

Improve academic grades and study skills

- Additional year of study equivalent to 13 years of UK study for undergraduate degree
- Demonstrate academic level to meet university requirements
- Present higher grades in pathway programme than achieved at high school for undergraduate entry
- Learn the study skills essential for success in UK universities

Expert university progression support

- Expert guidance on which degree to progress to
- One-to-one support sessions
- Faculty visits and meetings

Progress to university degree

Your route to a degree at University of Central Lancashire

ONCAMPUS UK North offers guaranteed progression* to a wide range of undergraduate and postgraduate degrees at UCLan, on successful completion of our Foundation programmes. Students on the Medicine Undergraduate Foundation Programme and Life Sciences Undergraduate Foundation Programme have the opportunity to apply for Medicine at UCLan, and a variety of degrees, as listed, at RCSI, St. George's University in Grenada and the University of Nicosia in Cyprus. Students may also apply to other UK universities through the UCAS system.

*Subject to meeting the specified criteria.

ONCAMPUS UK NORTH

Pre-university

1 term 3 semesters

Undergraduate degree

ONCAMPUS gives you...

Outstanding teaching and support

Through every step of your journey with us, you will be supported by highly qualified teachers and support staff, both inside and outside the classroom.

Your personal tutor will meet with you regularly to ensure you are on track to pass the programme and progress to your chosen degree.

Your personal tutor is also there to help you with any issues you might have inside or outside the classroom.

A proven track record of success

ONCAMPUS is part of Cambridge Education Group, one of the UK's leading university pathway providers since 1952.

Cambridge Education Group was the first private institution to offer university foundation programmes in the UK in 1985, and successfully prepares thousands of students for the UK's top universities every year.

Part of the University from day one

The ONCAMPUS UK North centre is located at the heart of UCLan, close to all the University's facilities.

You will receive a University student card, and with it you will have access to all the University's facilities, clubs and societies while you study your ONCAMPUS programme.

You will meet your course leader at the University before you start your degree, and have the opportunity to try out some of the excellent facilities.

Quality assured

ONCAMPUS UK North is reviewed regularly by the Quality Assurance Agency (QAA), which is responsible for maintaining standards across the UK university system..

Medicine Undergraduate Foundation Programme

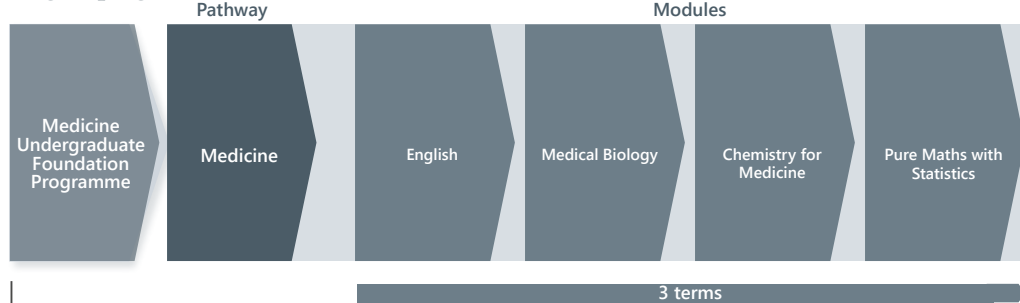

This programme gives students the opportunity to apply for Year 1 of the Bachelor of Medicine and Bachelor of Surgery (MBBS) at UCLan, and the opportunity to apply to several degrees, as specified, at the Royal College of Surgeons, Ireland, St. George's University, Grenada and the University of Nicosia, Cyprus.

Expert guidance and **Interview practice** to prepare you for the medical school application process

Degree progression route

Pass mark for opportunity for progression from academic modules	English level required (IELTS equivalent) for progression (internal assessment)	Progression options

About Student Life

Next Steps

1 Submit your application by one of the following methods:

- Online: www.oncampus.global
- Email: admissions@oncampus.global

Please remember to include all relevant documentation:

- Academic transcripts (with official translations, if not originally in English)
- Evidence of English Language level
- Copy of passport
- Explanation of any study gaps
- Copies of any previous/current UK visas

Additional documentation may be required depending on the course. Our Admissions team will contact you should this be the case.

2 Our Central Admissions team will review your application.

We will send you an offer letter which will list any outstanding conditions. We will remove any conditions that have already been met.

If we think the course is not right for you, we will suggest an alternative.

If we have any queries about your application, we will contact you for further information.

3 To accept your place on the course, you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. We can only confirm your place once all conditions have been met, although once the deposit is paid, we will hold a place for you.

Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of ONCAMPUS. Your assistance in meeting these requirements is much appreciated.

4 Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a Confirmation of Acceptance for Studies (CAS) or a Certificate of Enrolment (CoE) depending on the type of visa you require. If you need to obtain a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be issued up to six months before the start of the course (if you apply from outside the UK) or up to three months (if you are eligible to apply from within the UK).

5 You will then need to apply for a visa if you require one to study in the UK. It is your responsibility to obtain a visa before you travel to join the course.

If you do not have a valid visa for studies in the UK, you will not be able to join the course. You are required to pay at least the 1st term's tuition fees before you begin your studies at ONCAMPUS. You should arrive on the weekend before the start date of the course. Please check your CAS or CoE for further details.

6 We will send you pre-arrival information.

You will need to apply online for your accommodation. Please contact liveinuclan@oncampus.global.

Manchester is the closest international airport to ONCAMPUS UK North. There are various routes you can take to transfer to the accommodation from the airport – by train, bus or taxi. Visit our website for further information.

At Cambridge Education Group, we care about our planet and our people, and we strive to achieve more.
