

ONCAMPUS ASTON

ONCAMPUS is proud to work in partnership with Aston University to offer high-quality university preparation programmes for international students on the University campus.

Ranked 22nd in the UK overall (Guardian University Guide 2023) and consistently climbing through the rankings in recent years, Aston University has an impressive track record of exceptional teaching and research that prepares highly employable graduates for the workplace. Aston graduates, on average, are among the highest paid in the country (LEO 2021), have opportunities to gain work experience to prepare for a competitive global market and have access to outstanding support.

Aston University is located on a green 60 acre, self-contained site in the centre of Birmingham, within 5-10 minutes walk of the main shopping, business and entertainment areas of the city.

1.5 hours

to London as well as great train links to other UK destinations such as Oxford, the Cotswolds, Liverpool and many more...

"I never imagined that my time at ONCAMPUS would have such a massive impact on me. The modules were really worth it, as each of them taught me academic language, academic referencing and UK studies generally, which puts me on a higher advantage here at Aston University."

Whitney, MFP Business at ONCAMPUS Aston

Aston Global Advantage Programme

Students can take an integrated professional development module during most MSc Business courses, allowing them to develop transferable skills and gain a competitive edge in the job market.

Employability and Entrepreneurship

As the pioneer of the work placement year, Aston University has crafted an outstanding reputation for its strength in employability and entrepreneurship with students graduating 'work ready'. Aston graduates are highly sought after because of their practical skills and ability to apply knowledge, and are supported by inspirational teachers with real world, industry experience.

Hands-On, Practical Teaching

Students work with industry experts to develop solutions to complex problems - MSc Marketing students recently worked with Philips to present real business solutions to marketing smart home technology.

Opportunities for paid work placements with global leading companies between your 2nd and final year.

How ONCAMPUS Works

Our programmes at **ONCAMPUS** Aston are designed for international students who do not meet the requirements for direct entry to Aston University to study. You will benefit from the support we offer in preparing you to progress to the University.

Increase your English language level

- Academic writing skills
- Academic reading skills
- Presentation and discussion skills
- Listening and note taking

Improve academic grades and study skills

- Additional year of study equivalent to 13 years of UK study for undergraduate degree
- Demonstrate academic level to meet university requirements
- Present higher grades in pathway programme than achieved at high school for undergraduate entry
- Learn the study skills essential for success in UK universities
- Additional research study skills for Master's students

Expert university progression support

- Expert guidance on which degree to progress to
- One-to-one support sessions
- Faculty visits and meetings

Progress to university degree

ONCAMPUS gives you...

Outstanding teaching and support

Through every step of your journey with us, you will be supported by highly qualified teachers and support staff, both inside and outside the classroom.

Your personal tutor will meet with you regularly to ensure you are on track to pass the programme and progress to your chosen degree.

Your personal tutor is also there to help you with any issues you might have inside or outside the classroom.

A proven track record of success

ONCAMPUS is part of Cambridge Education Group, one of the UK's leading university pathway providers since 1952.

Cambridge Education Group was the first private institution to offer university foundation programmes in the UK in 1985, and successfully prepares thousands of students for the UK's top universities every year.

Part of the University from day one

The **ONCAMPUS** centre is located in the main University building, close to all of its facilities.

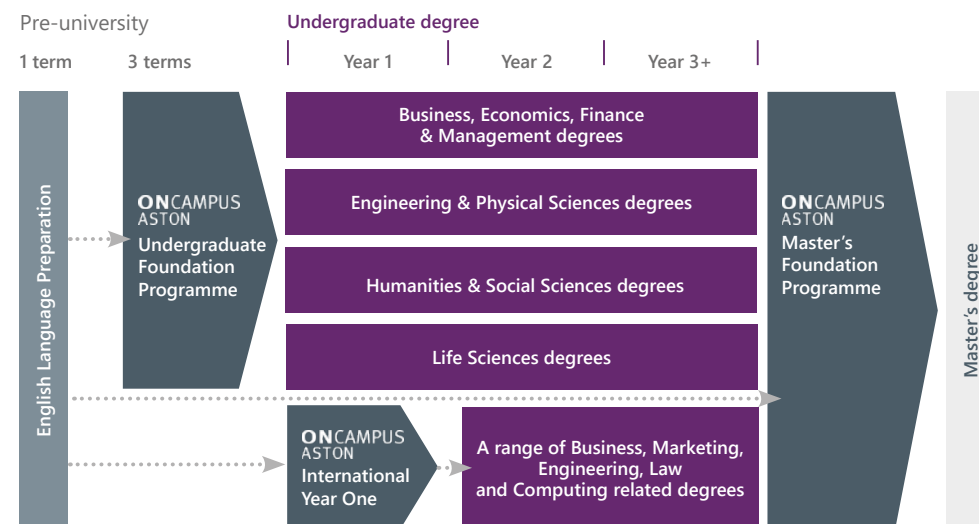

You will receive a University student card, and with it you will have access to all the University's facilities, clubs and societies while you study your **ONCAMPUS** programme.

You will meet your course leader at the University before you start your degree and have the opportunity to try out some of Aston's excellent facilities.

Your route to a degree at Aston University

ONCAMPUS Aston offers guaranteed progression* to a wide range of undergraduate and postgraduate degrees at Aston University, on successful completion of our Foundation or International Year One programmes.

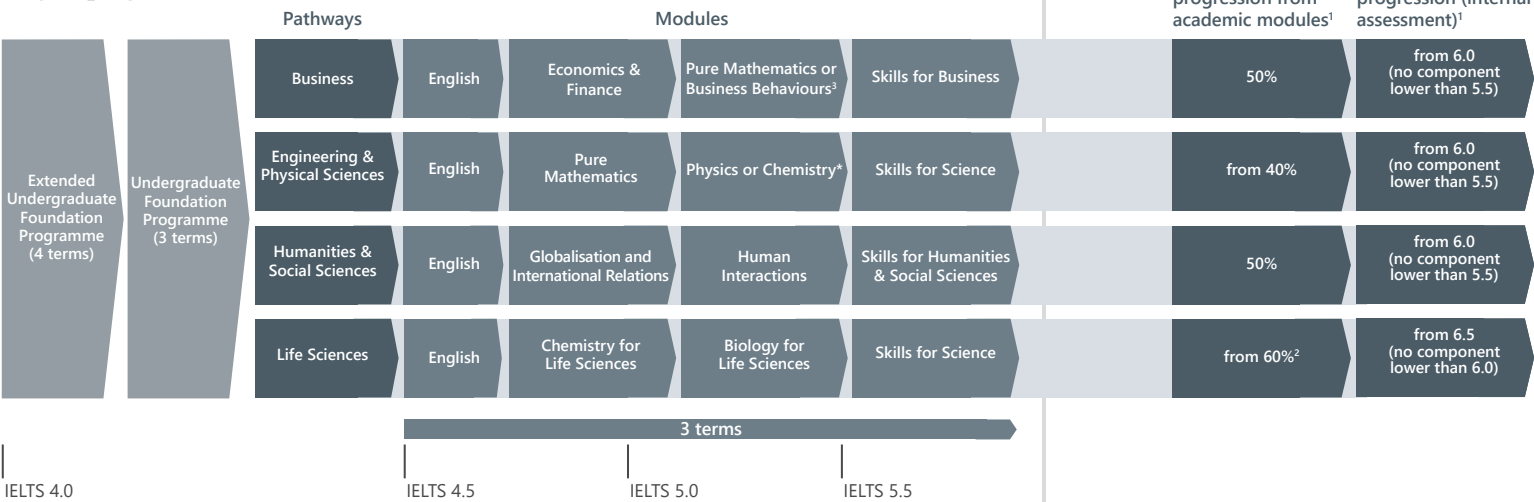

*subject to meeting the specified criteria

Undergraduate Foundation Programme (UFP)

This programme gives guaranteed progression¹ to Year 1 of a wide range of undergraduate degrees.

Degree progression route

Entry criteria

English level: From 4.5 IELTS or equivalent, with no component less than 4.0 for 3-term UFP.

Academic requirements: 11-12 years
Successful completion of 11-12 years of schooling with good grades. Please see www.oncampus.global for country-specific academic entry requirements.

Guideline minimum age: 17+ years
Must be 18 at the start of the degree programme.

¹ Subject to achieving the pass mark for progression, detailed above.
² Some degrees have higher progression criteria. Please see pages 10-12 for specific details.

³ The module choice here will depend on your chosen degree and Maths ability.

* You can progress to Life Sciences degrees by studying Chemistry on the Engineering pathway.

For progression degrees, see pages 10-12

All programmes are subject to a £350 registration fee. Your tuition fee includes annual membership of the University Students' Union, for more information visit www.astonsu.com. Membership of the Students' Union is valid until 31st August 2024.

Guide to Birmingham

The UK's second largest city, Birmingham, is also Europe's youngest. A bustling, vibrant and multi-cultural city, Birmingham offers award-winning theatre, contemporary art, designer fashion and premier league football (it's home to Aston Villa Football Club, Prince William's favourite football club). Whatever your taste, there's something to suit everyone in Birmingham.

Birmingham is the UK's youngest city and the most diverse

40%

of Birmingham's population is under 25 years old!

Birmingham is 90 minutes

from London or Manchester, has its own airport and is brilliantly placed in the centre of England, and only 45 minute flight time to Amsterdam and an hour to Paris. You can easily visit in a weekend!

Birmingham is a major hub for business and industry, attracting companies such as Amazon, ASOS, and PwC, major multinationals such as HSBC and Goldman Sachs, and is home to long-established companies such as Cadbury, Jaguar Land Rover and Rolls Royce.

Birmingham has more than **35 miles of canals**, over **600 parks** and **8,000 acres** of open space - that's more than Paris!

Birmingham

offers plenty to see and do. It also has a fantastic and diverse culinary scene, with a wide variety of places to eat and drink on a student budget.

Things to do

The Bullring shopping centre is one of the largest malls in Europe where you can head to the iconic Selfridges building or even visit the world's largest Primark!

If you love the arts, Birmingham's award-winning performing arts scene offers live performances and festivals throughout the year.

Birmingham is the home of Aston Villa FC and Edgbaston Cricket Ground.

Birmingham Museum and Art Gallery hosts the largest collection of pre-Raphaelite art in the world. Or spend a few hours exploring the Botanic Gardens.

Places to eat

Explore the world famous Balti Triangle, or try out a traditional afternoon tea at the Grand Hotel.

Birmingham has six Michelin starred restaurants (the most of any UK city outside of London!)

ONCAMPUS Aston's accommodation is within walking distance of a wide range of supermarkets, including speciality Asian and Halal.

Next Steps

1 Submit your application by one of the following methods:

- Online: www.oncampus.global
- Email: admissions@oncampus.global

Please remember to include all relevant documentation:

- Academic transcripts (with official translations, if not originally in English)
- Evidence of English Language level
- Copy of passport
- Explanation of any study gaps
- Copies of any previous/current UK visas

Additional documentation may be required depending on the course. Our Admissions team will contact you should this be the case.

2 Our Central Admissions team will review your application.

We will send you an offer letter which will list any outstanding conditions. We will remove any conditions that have already been met.

If we think the course is not right for you, we will suggest an alternative.

If we have any queries about your application, we will contact you for further information.

3 To accept your place on the course you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. We can only confirm your place once all conditions have been met, although once the deposit is paid we will hold a place for you.

Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of **ONCAMPUS**. Your assistance in meeting these requirements is much appreciated.

4 Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a Confirmation of Acceptance for Studies (CAS) or a Certificate of Enrolment (CoE) depending on the type of visa you require. If you need to obtain a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be issued up to six months before the start of the course (if you apply from outside the UK) or up to three months (if you are eligible to apply from within the UK).

5 You will then need to apply for a visa if you require one to study in the UK. It is your responsibility to obtain a visa before you travel to join the course.

If you do not have a valid visa for studies in the UK, you will not be able to join the course. You are required to pay at least the first term's tuition fees before you begin your studies at **ONCAMPUS**. You should arrive on the weekend before the start date of the course; please check your CAS or CoE for further details.

6 We will send you pre-arrival information.

The accommodation application form will be included in the pre-arrival information. You should complete the form, selecting your preferred option, and return it to **ONCAMPUS** Aston by email to liveinaston@oncampus.global. Birmingham International is the closest airport to **ONCAMPUS** Aston. There are various routes that you can take from the airport by train, bus or taxi. Please be advised that public transport is the cheapest option. Please refer to the pre-arrival information that we send you for more details.

At Cambridge Education Group, we care about our planet and our people, and we strive to achieve more.
