ONCAMPUS HULL

ONCAMPUS HULL

UNIVERSITY OF HULL

ONCAMPUS is proud to work in partnership with the University of Hull to offer high-quality university preparation programmes for international students on the University campus.

The University of Hull is one of the oldest universities in England. It has a long and distinguished tradition of providing first-class education and rewarding life experiences to students from all over the world.

Hull is a campus university, which blends the traditional with the innovative. This means you can experience life on a green and leafy 125-acre campus, complete with beautiful old buildings, while taking advantage of a cutting-edge academic environment that embraces technology, social connectivity and a global outlook. This blend gives the University of Hull a unique atmosphere.

This bustling city is a stone's throw away from some of Britain's loveliest countryside as well as expansive coastlines, offering the best of all worlds.

Hull is one of the least expensive cities

in the UK making your money
go further

2.5 hours
to **London** by train

as well as great train links to
other UK cities such as Leeds,
York, Manchester, Sheffield,
Liverpool and many more...

Bone Density Scanner and LCD technology were discovered at Hull University.

100 discoveries by British Universities UK

81%

of students graduate with a First or Upper Second class degree

OVER

2,500

international students from more than

100 countries around the world

97.9%

of international students go into work or further study within six months of graduating

HESA 2018

The University of Hull

Careers Team can help you research and plan your career, and put you

directly in touch with recruiting employers

Founded in

1927

the University of Hull is the 14th oldest university in England

Faculty Highlights

Studying Engineering

The Faculty of Science and Engineering unites leading academics and state-of-the-art facilities, with teaching and research across a broad range of science and engineering areas. The University of Hull's interdisciplinary research centres are confronting some of the biggest challenges facing the world today.

General Engineering is ranked

17th

for learning opportunities

National Student Survey 2021

59,000

the annual shortfall of engineers and technicians

HESA student record 2018/19* data, 2020

Mechanical Engineering

students can take part in **Formula Student** — Europe's most established educational motorsport contest

11th

for Chemical Engineering

Guardian University Guide 2023

Chemical engineering is the second highest-paid profession for new graduates, after dentistry

Studying Business

As a business student, you will benefit from professional accreditation or membership of professional bodies and/or exemptions from professional examinations.

The Business School is proud to hold multiple industry accreditations as well as independent international accreditations such as AACSB, held by less than 5% of the world's 13,000 business programmes.

Studying Politics

Politics — **87th** overall satisfaction
National Student Survey (NSS) 2021, HEIs only

28th

Guardian University Guide 2023

Recent Politics graduates have taken roles as;
Senior Assistant in the Prime Minister's Political Office

Director of Communications for the **Financial Times**

Member of Parliament and Head of Political Communications for the **Labour Party**

Hull offers one of the UK's largest integrated Westminster placement schemes

— providing students with access to the corridors of power

Studying Science

Computer Science programmes

provide you with the skills, experience and technical expertise to put you in high demand when it is time to enter the job market.

Computer Science graduates work for the likes of Sony, Microsoft, Electronic Arts, Rockstar Games, Dell and Fujitsu.

Computer courses at Hull are linked with industry giants such as Microsoft, Sony and EA.

Specialist areas include computer gamification, dependable intelligent systems, robotics and AI, and simulation and visualisation — **innovative degrees for post-pandemic careers.**

Take advantage of facilities such as the new robotics and 3D printing laboratories

10th for Physics

Guardian University Guide 2023

11th

for Chemistry

Guardian University Guide 2023

Studying Law

Law has been taught at Hull since 1927

and is highly regarded, both within academia and the legal profession

Experience law in practice, advising real clients with real problems. Over 1,000 people have been helped by students from the regional community

Learn the ropes in the mock law court, enter mooting competitions to hone your skills and engage in client interview practice

Undergraduate degrees you can progress to

Students who meet the specified entry criteria are guaranteed progression at the University of Hull. The Undergraduate Foundation Programme is available with an Integrated CAS option.

Progression to Year 2 of these degrees is available through the International Year One programme with an Integrated CAS.

Business, Economics, Finance, Management, Law and Politics pathway

English Required IELTS equivalent: 6.0 - no component less than 5.5

Pass Mark for progression: 40% in academic modules

Please note progression degrees are subject to change.

"There is no question that my economics degree from Hull has served me exceptionally well over the course of my career..."

...The critical thinking required, the ability to step back and think holistically about solving problems and the rigorous discipline involved in such a classic liberal arts education have been the foundation for my career and success. Hull is very much part of who I am today."

Muhtar Kent, Former Chairman, The Coca-Cola Company

How ONCAMPUS Works

Our programmes at **ONCAMPUS** Hull are designed for international students who do not meet the requirements for direct entry to study at the University of Hull. You will benefit from the support we offer in preparing you to progress to the University.

Increase your English language level

- Academic writing skills
- Academic reading skills
- Presentation and discussion skills
- Listening and note taking

Improve academic grades and study skills

- Additional year of study equivalent to 13 years of UK study for undergraduate degree
- Demonstrate academic level to meet university requirements
- Present higher grades in pathway programme than achieved at high school for undergraduate entry
- Learn the study skills essential for success in UK universities
- Additional research study skills for Master's students

Expert university progression support

- Expert guidance on which degree to progress to
- One-to-one support sessions
- Faculty visits and meetings

Progress to university degree

Your route to a degree at the University of Hull

ONCAMPUS Hull offers guaranteed progression* to a wide range of undergraduate and postgraduate degrees at the University of Hull, on successful completion of our Foundation or International Year One programmes.

*subject to meeting the specified entry criteria

ONCAMPUS gives you...

Outstanding teaching and support

Through every step of your journey with us, you will be supported by highly qualified teachers and support staff, both inside and outside the classroom.

Your personal tutor will meet with you regularly to ensure you are on track to pass the programme and progress to your chosen degree.

Your personal tutor is also there to help you with any issues you might have inside or outside the classroom.

A proven track record of success

ONCAMPUS is part of Cambridge Education Group, one of the UK's leading university pathway providers since 1952.

Cambridge Education Group was the first private institution to offer university foundation programmes in the UK in 1985, and successfully prepares thousands of students for the UK's top universities every year.

Part of the University from day one

The **ONCAMPUS** centre is located at the heart of the University, close to all of its facilities.

You will receive a University student card, and with it you will have access to all the University's facilities, clubs and societies while you study your **ONCAMPUS** programme.

You will meet your course leader at the University before you start your degree, and have the opportunity to try out some of the excellent facilities.

Quality assured

ONCAMPUS Hull is reviewed regularly by the Quality Assurance Agency (QAA), which is responsible for maintaining standards across the UK university system.

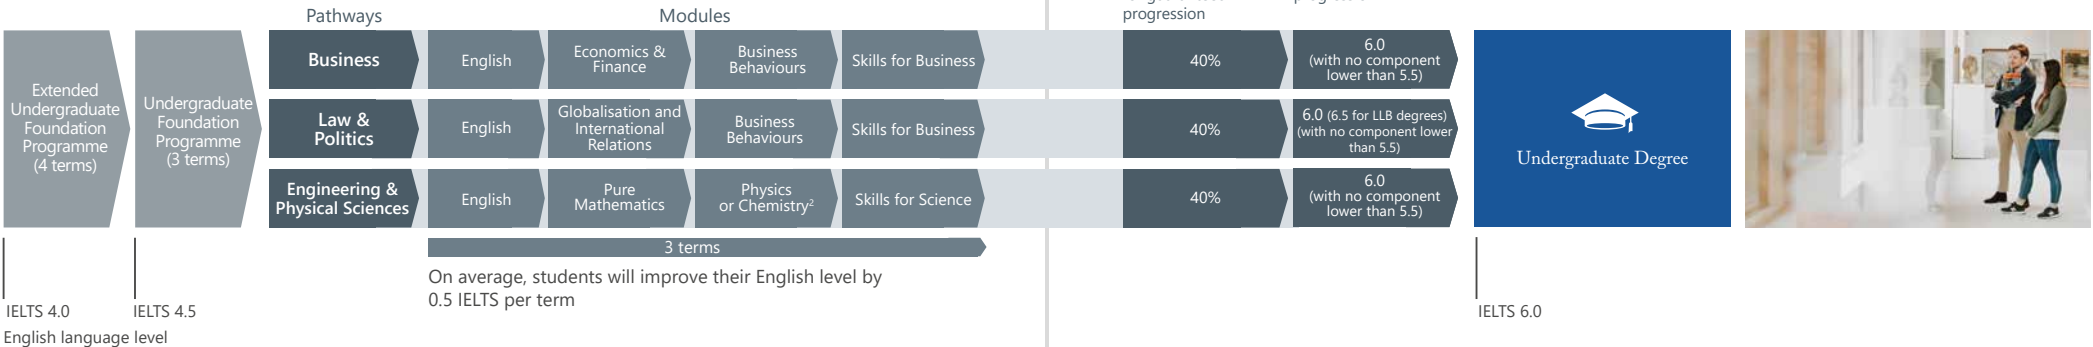

Undergraduate Foundation Programme (UFP)

This programme gives guaranteed progression¹ to Year 1 of a wide range of undergraduate degrees.

Available with Integrated CAS.

"I didn't want a 'hustle bustle' city or a boring city. Hull sits in between and meets my needs in terms of my personality. The UFP Business course is a mixture of academic and practical which I like. Whenever I run into issues with assignments and tests I can get help from my teachers quickly and effectively. My teachers are passionate at giving tips and advice as to how to overcome any difficulties."

English level:

From 5.5 IELTS
or equivalent, with no component less than 5.5, for 3-term IY1.

An Extended 4-term programme is available depending on your English language and/or academic level.

Academic requirements:

12 years
Successful completion of high school with good grades.

Please see www.oncampus.global for country-specific academic entry requirements.

Guideline minimum age:

17+
Under-18 students are subject to the under-18 supplement.

¹ Subject to meeting specified entry criteria.
² Business pathway only.

For progression degrees, see page 08

"I enjoyed a lot in my programme from the teachers who have a beautiful spirit and work with you as if they were your friends, to the workers in the student office who are very cheerful and love to help. I developed many things in my preparation for university, the most important of which is my English, but also skills in research, questionnaires and searching for sources."

Master's Foundation Programme (MFP)

The Master's Foundation Programme offers guaranteed progression* to a wide range of business-related Master's degrees at the University of Hull.

Degree progression route

Entry criteria

English level: From **4.5 IELTS** or equivalent, with no single element less than 4.0, for 3-term MFP.

An extended programme is available if you do not have the required English language level. This programme lasts 4 terms and includes an English language module (ELPP) followed by 3 terms of MFP.

Academic requirements: **Degree** Successful completion of Bachelor's degree or equivalent from a recognised university.

Guideline minimum age: **21+**

For guaranteed progression*:

- 40% in academic subjects
- 6.0 IELTS or equivalent (with no component lower than 5.5)
- Some degrees require additional interview, audition/portfolio and/or a higher pass mark, as indicated on the degree list on page 09.

"ONCAMPUS teaching methods were personalised. We were sometimes asked to discuss certain topics in the class, while in our free time, given many opportunities to get feedback on assignments. To make the most of these chances, we had to be independent learners. I have developed many skills, one of those being reflection. I think this is the most essential skill not only as a student but as a person. Overall I am most proud of being awarded best MFP student."

Guide to Hull, Yorkshire

Hull is a bustling city in Yorkshire that sits on the northern shore of the Humber Estuary. The city is close to some of the UK's most scenic countryside as well as expansive coastlines. The entire city centre has been revamped in recent years, all of which helped it achieve the prestigious 'City of Culture' award.

Hull is also one of the least expensive cities in the UK, meaning your money will go much further when compared to other similar cities in the UK.

Hull Marina

is a peaceful oasis amidst the bustle of the Humber Estuary. With a history that spans over 200 years, the Marina moors up to 260 boats at any one time.

Wide variety of cultural attractions

including a Museum Quarter, Ferens Art Gallery, a Grade II listed park and the deepest Aquarium in Europe.

Just under 1 hour to York

by train. Famous for its beautiful cathedral, cobbled medieval streets like The Shambles and historic city walls.

Over
50
restaurants within
city centre

including Indian, Thai,
Italian and many more...

Walk or cycle across
one of the largest single
span suspension bridges
in the world which spans
2,200 feet or 1.4 miles.

4 shopping centres
within 4 miles
of city centre

plus regular local markets,
a wide range of independent
shops and further large shopping
centres at Leeds and Sheffield.

Direct flights to
Europe

from nearby Humberside
Airport, and a global
reach via Amsterdam's
Schiphol Airport.

5

cinemas within 5 miles
of Hull city centre

including Odeon, Cineworld,
Reel, and Vue.

Under
3 miles to
MKM Stadium

10 minutes by train
or 12 minutes to cycle to the
huge sporting venue.

3,500

fish in
The Deep aquarium

Located in the city centre,
The Deep is one of the
UK's most spectacular
award-winning aquariums.

Next Steps

1 Submit your application by one of the following methods:

- Online: www.oncampus.global
- Email: admissions@oncampus.global

Please remember to include all relevant documentation:

- Academic transcripts (with official translations, if not originally in English)
- Evidence of English Language level
- Copy of passport
- Explanation of any study gaps
- Copies of any previous/current UK visas

Additional documentation may be required depending on the course. Our Admissions team will contact you should this be the case.

2 Our Central Admissions team will review your application.

We will send you an offer letter that will list any outstanding conditions. We will remove any conditions that have already been met.

If we think the course is not right for you, we will suggest an alternative.

If we have any queries about your application, we will contact you for further information.

3 To accept your place on the course, you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. We can only confirm your place once all conditions have been met, although once the deposit is paid, we will hold a place for you.

Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of **ONCAMPUS**. Your assistance in meeting these requirements is much appreciated.

4 Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a Confirmation of Acceptance for Studies (CAS) or a Certificate of Enrolment (CoE) depending on the type of visa you require. If you need to obtain a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be issued up to six months before the start of the course (if you apply from outside the UK) or up to three months (if you are eligible to apply from within the UK).

5 You will then need to apply for a visa, if you require one, to study in the UK. It is your responsibility to obtain a visa before you travel to join the course.

If you do not have a valid visa for studies in the UK, you will not be able to join the course. You are required to pay at least the first term's tuition fees before you begin your studies at **ONCAMPUS**. You should arrive on the weekend before the start date of the course; please check your CAS or CoE for further details.

6 We will send you pre-arrival information.

The accommodation application form will be included in the pre-arrival information. You should complete the form, selecting your preferred option, and return it to **ONCAMPUS** Hull by email to liveinhull@oncampus.global. Humberside, Manchester and Leeds/Bradford are the closest airports to **ONCAMPUS** Hull. There are various routes that you can take from these airports by train, bus or taxi. Please be advised that public transport is the cheapest option. Please refer to pre-arrival information that we send you for more details.

At Cambridge Education Group, we care about our planet and our people, and we strive to achieve more.
