Beyond the canal, there are several traditional Dutch buildings with white facades, dark roofs, and many windows. A large, leafy green tree stands between the buildings and the water. The water reflects the surrounding architecture. A small bridge is visible in the background.

### Please remember to include all relevant documentation:

- Academic transcripts (with translations if not originally in English)
- Evidence of English level
- Copy of passport
- Explanation of any study gaps
- Any previous Dutch visas.

Additional documentation may be required depending on the course and age. Our Admissions team will contact you should this be the case.

## 2 Our Central Admissions team will review your application.

We will send you an offer letter which will list any outstanding conditions. We will remove any conditions that have already been met. If we think the course is not right for you, we will suggest an alternative.

If we have any queries about your application, we will contact you for further information.

## 3 To accept your place

on the course you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. If you are under 17, you will also need to provide details of an approved named guardian. Your place can only be confirmed once all conditions have been met, although once the deposit is paid we will hold a place for you.

## 4 Once you have paid your deposit

and met all the conditions of offer, we will confirm your place and send you a Certificate of Enrolment (CoE).

Once you have received your CoE, you can apply for a visa (if you need one to enter the Netherlands). If you do not have a valid visa, you will not be able to join the course so please make sure you apply as soon as possible. For more information, please visit [oncampus.global/europe/visa-advice](http://oncampus.global/europe/visa-advice)

## 5 We will send you pre-arrival information.

All students will receive an invitation letter with links to the accommodation options available.

## 6 You will need to pay at least the first term's tuition fees

before you begin your programme of study at ONCAMPUS.

When you book your flight to Amsterdam Schiphol Airport, please send us your arrival details by email to [amsterdam@oncampus.global](mailto:amsterdam@oncampus.global). We recommend arriving on a weekday before the induction week and allowing yourself enough time to visit your housing corporation to pick up your accommodation keys.
