Accommodation Guide 2020-2021

ONCAMPUS
Achieve more.

Welcome

ONCAMPUS aim to make sure that finding a place to live while you study with us is quick and easy. It is very important that you have a place to stay when you arrive in the UK, and while you can choose to organise your own accommodation, we strongly recommend that all students book a room through our free service.

Booking with us ensures that you will have a safe, comfortable environment, and that you will be housed with other **ONCAMPUS** students, which is a great opportunity to make friends!

We have some fantastic residences available for you to book that are great value for money. We strongly recommend booking early as accommodation in London sells out fast. In the following pages there is lots of information on your choices and at the back of this pack you will find a quick summary table displaying the key features of each residence. There is also a price list and details on how to reserve a room once you have chosen your new home.

If you have any questions that are not covered in this guide, or you just want some advice, please contact us at liveinlsbu@oncampus.global and we will be happy to help.

We look forward to welcoming you to **ONCAMPUS** London South Bank.
